Reuben Baetz is guest speaker at Chamber meeting

The feature of this year's Haliburton Chamber of Commerce Annual meeting Banquet, to be held on Wednesday, October 20, will be the guest of honour, The Honourable Reuben Baetz, Minister of the recently restructured Ministry of Tourism and Recreation. He will be making his first of two trips scheduled to the Haliburton Highlands when he joins the Chamber next week. Wig-A-Mog Inn, site of this year's annual meeting is also hosting the Fall meeting of Resorts Ontario next weekend and Mr. Baetz is also a key-note speaker at their function.

The presence of the Cabinet Minister is, however, just one of the many reasons why Chamber members will want to spend a day at Wig-A-Mog next Wednesday. The day begins with a very interesting panel presentation at 9:15 a.m. entitled "Cottager Power". Three panel members consisting of Jerry Strickland, president of the Ontario Federation of Cottager's Associations, Roy Windover, on behalf of land developers, and Art Ward on behalf of commercial developers will attempt to address and debate the very controversial issue of what the cottager wants (or doesn't want) versus what the community residents want in the way orderly development in an area such as ours. Members will then have their choice of a number of workshops which address credit and collections, "what every business man should know about borrowing money", keeping customers happy - and dealing with those who are not, and facing the Computer age - should you or should you not join the revolution?

A very interesting luncheon speaker has been arranged this year in the person of Rolly Michener, Executive Director of Tourism Ontario, who will let us in on some of the performance projections foreseen for the major industry in our county. Most members of County Council will be joining the groups for lunch following their morning session at Council Chambers.

The Chamber's business meeting will this year take place at 3:15 p.m. in the afternoon rather than being part of the evening banquet. Not only will this make the evening more of a social affair, but it will allow all members the opportunity to attend and vote for their directors, regardless of whether or not they attend the banquet. This will also be the time at which reports are given on the past year and plans for the future are presented by the executive. The Highlander of the Year presentation will be made at the evening banquet.

Another new feature of the day's activities will be the "Table Topics" session from 4:30 to 6:00 p.m. The Ministry of Tourism and Recreation, Federal Business Development Bank, Tourism Ontario, MNR and several Computer suppliers and services will have a table each set up at which participants may talk one on one with representatives and obtain relevant literature on the subject concerned.

All in all the day is bound to a most interesting and enlightening day for all who are concerned with their community and ultimately their livelihood in it. The Chamber is pleased that in line with restraint programs they have been able to keep their participation fees down to the same as the previous year. This is only \$15 each for the day's activities including luncheon and \$15 each for the evening banquet and dance. There is no charge to attend the business meeting. Tickets may be obtained from any Chamber Director or from the Chamber office - 286-1760.

Local Legion donates \$7000

On Thursday evening at the general meeting of Branch 129, Royal Canadian Legion, Haliburton, \$7,000 was donated to six different organizations. From left to right: Mrs. Sylvia Sisson, Legion

president presenting \$1,500 to Earl Hewitt of the Minden Red Cross Hospital, and Marlene Bennett of the Haliburton Red Cross Hospital receives a cheque from Ed Fajar. For more pictures turn to Page 7.

The Royal Canadian Legion Branch 129, Haliburton, made presentations of money to several organizations in Haliburton County at their regular monthly meeting held at the Legion Hall last Thursday evening.

will be used to help hire a bus to take the minor hockey players to games outside of Minden. The Minden Minor Hockey Executive hope that by hiring a bus it will help more boys to play hockey.

A total of \$7000 was distributed among six different organizations.

The Minden Red Cross Hospital received a cheque in the amount of \$1500 and the money will be used to help build an emergency room in the hospital. Renovations are to start November 1.

The Minden Figure Skating club received a cheque in the amount of \$1000 to help pay for a new sound system which has already been installed at the Minden Community Centre.

The Haliburton Red Cross Hospital also received a cheque in the amount of \$1500 and this money will be spent on a new blood pressure machine which will cost \$2,600.

The Haliburton Figure Skating Club also received \$1000 to help in the promotion of signing up young members in the club. They are particularly interested in all those who feel that they can't afford to join.

A cheque for \$1000 was donated to the Haliburton Minor Hockey Association to help them promote the game of hockey by helping children who can't afford to pay for some of the costs involved.

The Haliburton Branch of the Royal Canadian Legion issued a statement to The Echo to the effect that since the mortgage on the building has been paid off they are happy to have been able to make donations to the above worthy causes. The Legion are hoping to be able to make yearly donations but this will depend on the funds available at that time.

Dysart ward system receives approval

Dysart's recently proposed change from three to five wards was approved on the Ontario Municipal Board decision. Unofficial confirmation was received by the Township on September 23rd. Official notice was received on October 1st.

ONTARIO MUNICIPAL BOARD
IN THE MATTER OF Section 13 of The Municipal Act,

(R.S.O. 1980, c. 302) - and -

IN THE MATTER OF an application by The Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Havelock, Eyre and Clyde for a redivision of the Municipality into wards pursuant to authorizing By-law Number 82-31, read a first, second and third time, passed, signed and the Corporate seal

attached on the 21st day of July, 1982.

BEFORE: H. E. Stewart, Chairman - and - A. H. Arrell, Q.C., Vice-Chairman, Wednesday, the 29th day of July, 1982.

UPON APPLICATION by The Corporation of the United Townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre and Clyde and it appearing that proper notice of

application for approval of By-law Number 82-31, and no objections had been filed with the Township of Dysart Clerk;

THE BOARD ORDERS that this application is hereby granted and By-law Number 82-31, given first, second and third readings and passed on the 21st day of July, 1982, for a redivision of the municipality from three wards into five wards is hereby approved.

Three new candidates come forward

The municipal election pot keeps boiling as new candidates as well as a few of the veterans keep coming forward and putting their names before the public as candidates in the forthcoming municipal elections.

On Monday afternoon Rolly Letourneau of Eagle Lake announced that he will be a candidate for council in ward five, one of the new wards in the Municipality of Dysart. Under the new ward system Eagle Lake and Haliburton Lake areas are both included in ward five.

Letourneau, who resides in Eagle Lake and has made his home there for the past seven years, owns and operates his own business in Haliburton, known as Skyline Automotive Supply. The new candidate for office told The Echo that he has been well

pleased with the performance of the local council over the past few years but decided to run when the new ward system was approved, opening up two new council seats.

Letourneau, in conversation with this newspaper, stated that since living here for the past seven years he feels that he has gotten to know the people and feels that if he was elected to council he could serve them well. He is a member of the Rotary Club of Haliburton and very interested in community affairs.

Gary McKnight, who has served on council in ward two for nine years, advised The Echo on Tuesday morning that he will be stepping up this year and putting his name forward to be a candidate for the position of Deputy Reeve.

McKnight, who is an owner in Haliburton Marine Limited, in conversation with this newspaper said that with new members coming into council this year that the municipality will also need members on this council with experience. He went on to say that he has this experience. He went on to say that during the past few years the council has been very progressive and the municipality has moved ahead by leaps and bounds. He said he was proud to have played a part in this progress.

According to McKnight there is a good possibility that government subsidy will be cut in the near future and if this happens the council will need someone to help control spending.

McKnight has always had a great interest in the

community and has been very active in minor softball and hockey. He is a member of the Dysart Recreation Committee, Planning Board, Museum Board and the Harcourt Community Centres Board.

Lynn Craigmyle of Haliburton came forward on Saturday and in a statement to The Echo announced that he will be running for a seat as school trustee on the Haliburton County Board of Education. If elected he would serve as a member representing the Municipality of Dysart et al.

Craigmyle, who is the manager of the three Bowes and Cocks Real Estate offices in Haliburton, Minden and Wilberforce is the founding pres-

Grey Sisson and Mother's make donation of \$35,000

Grey Sisson, son of Mr. and Mrs. Brant Sisson of Eagle Lake is one local boy who has made good. Along with partners he took an idea and parlayed it into 40 odd Mother's Pizza Parlours, that each have sales of more than \$1 million.

Every restaurant in the Mother's group has annual sales of more than \$1 million and that puts Mother's in pretty exclusive company.

Mother's Pizza Parlours the Burlington-based chain are not only well known in Canada, but they have now moved into the United States with their stores.

Grey Sisson, president of Mother's Restaurants Incorporated announced recently that more than \$35,000 was raised in the third annual Mother's pizza promotion held on June 15, 16, 17 and 18.

With 41 pizza parlours and spaghetti houses taking part, managers and staff worked together with Easter Seal service club members to serve thousands of pizzas to hungry customers. For every 8 or 12 slice pizza sold, \$1 of the cost was donated to the Easter Seal Society.

According to the Easter Seal Society newspaper "Horizons" all money raised in each area served by the Society to help nearly 6,400 disabled children in Ontario.

Problems in Carnarvon

According to the Minden Detachment of the Ontario Provincial Police, the people in Carnarvon are having their problems. It seems that sometime during the early hours of October 9 attempts were made to break into the Carnarvon Farmers' Market.

When this attempt failed, entry was gained into the attached Mrs. Fogg's Dairy Bar. Nothing was stolen and it appears that the thief was only interested in obtaining cash.

The investigation was carried out by Provincial Constables Al Bibby and Dennis Potter.

As we write this story a late flash has arrived on our desk stating that on Monday afternoon, October 11, two local youths were charged in connection with some of the Carnarvon break-ins.

Joseph MacMinn, 19 of RRI, Minden, and Dusty Upton, 18 of RRI, Haliburton were both charged with one count of break, enter and theft and two counts of break and enter with intent. All were in connection with the break-ins at the Carnarvon Farmers' Market.

The next night, an unsuccessful attempt was made to gain entry into the Four Seasons Grocery Store, also

Police report unusual thefts

Thievery, a little out of the ordinary, has been occurring throughout Haliburton County in recent months.

The Minden Detachment of the Ontario Provisional Police report that on October 4 a Norland woman was towing her home-made trailer full of firewood across Highway 503 in Snowdon Township when the trailer experienced a flat tire. The woman left the trailer at the side of the road overnight and upon her return the next morning, found it gone.

On the same day, October 4, 200 cement blocks disappeared from a driveway on Kennis Lake Road in Havelock Township. The following

Carson Bamford and Son from Harcourt deserve a great deal of credit for the wonderful job of constructing the drag strip. They spent many days and hours of hard work pushing down trees and levelling the ground.

Dean Wilson, the Ontario Class "D" champion, remarking on the condition of the Wilberforce strip said that it was the fastest drag strip he had ever driven on.

Please turn to Page 2

The route was muddy and many got stuck in the 4 X 4 Mud n' Run held at Wilberforce last Saturday and Sunday, October 9 and 10.

Mud and Run results

In speaking with one of the group organizers he told The Echo that you have to live and learn and that next year they would hold the event earlier on in the year. They realize now that they were on a bad weekend when interest is at a low ebb.

This year's two-day event was a fun event with no prize money and no trophies. The following is a list of the winners.

Sand Drags [Saturday]
Jeep CJ 7's

1. Glen Storey - Wilberforce; 2. Mike Hilton - Toronto; 3. George Scully - Toronto; 4. Rick Haas - Toronto; 5. Ted Nottage - Wilberforce.

8 Cylinder Modified
Dean Wilson - Coe Hill

8 Cylinder Stock Class
1. Frank Huberty - Toronto; 2. Dave Bamford - Harcourt.

Obstacle Race [Sunday]
6 Cylinder Stock

1. Glen Storey - Wilberforce, 1 min. 38 sec.; 2. Ted Nottage - Wilberforce, 1 min. 42 sec.; 3. George Scully - Toronto, 1 min. 54 sec.

8 Cylinder Obstacle

1. Steve Kirton - Gravenhurst, 1 min. 31.3 sec.; 2. Frank Huberty - Toronto, 1 min. 32 sec.; 3. Rob Boyer - Bracebridge, 1 min. 35.8 sec.; 4. Rae-Anne Boyer - Bracebridge, 1 min. 56.7 sec.

Notes on the two-day event... Dean Wilson from Coe Hill who won the 8 cylinder modified race was the On-

tario Class "D" champion this year.

The organizers of the Mud N' Run have applied for a sanctioned event through the Ontario 4 Wheel Drive Association.

Carson Bamford and Son from Harcourt deserve a great deal of credit for the wonderful job of constructing the drag strip. They spent many days and hours of hard work pushing down trees and levelling the ground.

Dean Wilson, the Ontario Class "D" champion, remarking on the condition of the Wilberforce strip said that it was the fastest drag strip he had ever driven on.

Briefly ...

OPP investigate

During the period of October 4 - 10, personnel at Minden Detachment of the OPP investigated the following occurrences: 11 motor vehicle accidents with seven persons injured, and 63 general occurrences (12 liquor offences, 4 thefts, 4 break and enters)

Break, enter and theft

A cottage, situated on Halls Lake, near Highway 35, was broken into sometime prior to October 9 and goods, valued at more than \$3,500, were stolen. Included in the stolen property were a T.V., radio, heater, furniture and blankets. This incident was investigated by PC Weldon Popp.

Tandem tips over

On the afternoon of October 4 at a construction zone, Highway 519, south of Eagle Lake, Frank McMillan, 46, Orillia, while unloading sand tipped his 68 tandem truck over causing \$5,000 damage to the truck. PC Jim Solway investigated.

Lost control

On October 8 at 10 p.m. on Township road at Haliburton Lake in Harburn Township, Bruce MacIntosh, 25, Scarborough, lost control of his 77 GMC Jimmy when he met an approaching car who did not share half of the roadway. He drove off the road and into a tree. There was \$5,500 damage to the Jimmy. He received a broken jaw and his passenger, Tracy Baron, 21, Scarborough, received minor chest injuries. PC Mike Smith investigated.

Car rolls over

On October 9 at 1 a.m. on Kennis Lake Road in Guilford Township, Cynthia Griffin, 19, Lindsay, swerved to avoid an oncoming car, drove off the roadway, struck a rock and rolled over. \$6,000 damage to her '80 Acadian. She and her passenger Terry Griffin, 18, Guilford Township, received minor injuries. PC Bob Pearson investigated.

Charged with impaired

On October 9 at 11 p.m. on Hwy. 35, north of Moores Falls, Heinz Stark, 26, Agincourt, lost control of his '74 AMC Jeep on a downgrade, when he rolled it over damaging it extensively. He was charged with impaired driving. PC Brian Ladurantaye investigated.

Minor injuries

On October 10 at 3:30 p.m. on Harcourt Park Road, Frank Huberty, 22, Willowdale, damaged his '79 AMC Jeep on a downgrade, when he lost control and rolled over. He and his passenger, Russell Pederson, 22, Willowdale received minor injuries. Another passenger, Karen Antonucci, 22, Willowdale received a broken collarbone. PC Mike Smith investigated.

A young goaltender comes out of his net to stop a break-away at a power skating practice at the Haliburton arena Thursday night.

Lutterworth discuss fire call operation

Council discussed the correspondence received from the Minden Fire Chief which provided details of a fire call operation. Council noted that the fire equipment was turned back prior to reaching the location of the fire - upon being advised that it was a brush that was burning, that the fire was under control, and that the owner had a permit to burn. It was noted by council that Deputy Reeve Glynne Lewis had received additional information concerning the fire call from another source, and council agreed that this information should be confirmed.

Reeve N.R. Gambell provided council with a report on the proceedings of the county council and its committee.

Council authorized the reeve and clerk to execute, on behalf of the Municipal

Corporation under the Corporate Seal, the letter of authorization regarding this municipality's agreement with terms of the incentive grant 'advance' from the Ontario Ministry of Municipal Affairs and Housing; reference: Anson, Hindon and Minden, Stanhope and Lutterworth Townships' joint participation in a Municipal Non-Profit Housing program.

Council instructed Stephen Fox to make a count of the private advertising that has been placed along Highway 35 in Lutterworth Township. It was noted that municipalities may enact by-laws to regulate the placement of advertising along public roadways.

The second monthly regular meeting of Lutterworth council was held recently.

Council assembled in the afternoon in a committee of the whole, reviewing 25 employment applications for the position of township by-law enforcement officer/building inspector/welfare administrator. This position is being vacated by Stephen Fox effective September 7. Council requested councillor Allan E. Scott to further review the applications and resumes and to discuss with councillor Wm. Valentine the candidates.

Arthur B. Cottrell presented his proposal for the closure and conveyance to him of part of a portion of the unopened 66 foot original road allowance lying between lots 25 and 26, in concession 8, leading to Black Lake. Council noted that Mr. Cottrell's property parcel is divided by the subject portion of original road allowance for road, and that his cottage residence is constructed upon the municipal road allowance which runs through the property parcel. Council further noted the August 31, 1982 correspondence to the municipality received by hand from the Ontario Ministry of Natural Resources' Minden District Manager - advising that the Crown records indicate that the cottage residence was built by the original property-owner before the final survey was completed and without knowledge at that time of the existence of the road allowance. As the subject property-parcel was originally obtained from the Crown, the said Ministry's correspondence noted that it would have no objection to the municipality's closing of the appropriate portion of original road allowance and conveyance of the same to Mr. Cottrell in order to provide him with title to the land upon which his belong to Mr. Cottrell (being Township Assessment Roll No. 2 - 110) is also affected by the municipal road allowance running through it. Mr. Cottrell was advised by council that it would appear that the interests of his neighbouring property-owner would be involved in the proposal for closure of the original road allowance section. Council noted that the proposal would be reviewed and discussed with councillor Valentine and the municipal solicitor prior to any action being authorized by council.

Private property week

A resolution in the Ontario Legislature calling for an amendment to the Constitution to protect private property rights is the "best news we could have" during Private Property Week, says Peter L. Mason, President of the Ontario Real Estate Association.

The resolution calls for the following amendment: "Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not to be deprived thereof except in accordance with the principles of fundamental justice." It was introduced into the Legislature Tuesday by Liberal MPP Herb Epp (Waterloo North).

"One of our big concerns since early last year was that the Constitution did not have a clause protecting property rights," Mason said. He pointed out that such a clause was proposed by the Conservatives and accepted by the Federal Liberals. However, NDP objections led to withdrawal of the clause.

"We have been expressing our concerns in a variety of ways, including our Private Property Week celebration, publications of studies and case histories of those who've lost property rights, and through meetings with various elected officials", Mason said. Mason added that the in-

roduction of the resolution "shows that our labours are bearing fruit." He noted further that the British Columbia Legislature introduced and passed a similar resolution in late September.

"Mr. Epp is to be congratulated for both recognizing the problem and taking steps to correct it," Mason noted. "We trust and expect that all members, of whatever party, will support the resolution because the resolution supports the individual and the individual's rights."

In recent years, the Association has been active in bringing property rights issues to the forefront. Two books, *Losing Ground* and *Lost Ground*, showed how serious the problem is from both a legal viewpoint and through case histories of those who've lost their rights.

Private Property Week, held this year from October 3-11, involves local real estate boards across the province. Various public activities are used to emphasize the need for vigilance on property rights.

The Ontario Real Estate Association represents more than 50 per cent of all licensed real estate personnel in Canada. The membership is located in 48 real estate boards across the Province.

Write a letter

Are you interested in your community? Are you concerned about its future? Are you irked by a council decision, frustrated with inflation and taxes, worried about where the world is headed? Why not get it off your chest through a letter to the editor. The letters to the editor column is a public forum and you're invited to use it as often as you like.

All we ask is that you sign your letter, and that you couch your criticisms and observations in language that is publicly (and legally) acceptable.

So why not have your say? Your views may point the way to important changes.

Haliburton Highlights

by Creighton Feir

The downtown core of the village of Haliburton was a very busy spot from Thursday of last week until 6:00 p.m. when the business places closed their doors on Saturday evening. Visitors coming for the holiday week-end came early and although we received very little rain, we could have done with a little more sunshine.

A Haliburton Rotary Club Ladies Night was held on Thursday evening, September 29 at Wig-A-Mog Inn. The evening, which was enjoyed by all who attended, began with a delicious buffet dinner. Rick Elstone introduced the evening's guest speaker, Suzanne Grew-Ellis from T.V. Ontario (TVO). She explained that their programming, funded by the Province, was for general viewing from 7 a.m. to 12 p.m. They are expanding their viewing audience by acquiring access to a satellite in the near future. Examples of their programming was viewed and included some local residents. For those who missed attending this meeting, Rhonda Elstone, who is on the TVO council, would be pleased to answer any questions.

The annual meeting of the Haliburton Highlands Chamber of Commerce is slated for Wig-A-Mog Inn for Wednesday, October 20. The Honourable Reuben Baetz, Minister of the new Ministry of Tourism and Recreation will be the guest speaker at the evening banquet. The Chamber are urging the members to come for the day, the evening, both, or just the business meeting.

Bob Barry of West Guilford and Bill Picard, Murray Burton and Rick Bain, all of Haliburton left on Sunday morning for a week's moose hunt at Nipigon.

You have to hand it to the members of The Ladies Auxiliary, Branch 129 Royal Canadian Legion when it comes to sponsoring a flea market. They have held several successful flea markets during the year but none bigger than the Christmas Sale and Flea Market held at the Legion on Saturday last. People came from miles around to attend this event and do their Christmas shopping early. This will be their last flea market for 1982 but they expect to hold sales again in 1983.

The Huntsville Hawks will be the visitors at the Haliburton arena this coming Sunday afternoon, October 17 when they will be here to take on the Haliburton Huskies at 2:30 p.m. in a regular scheduled Georgian Bay Junior "C" hockey game.

We have received word that the Royal Canadian Legion Zone 4 spring convention will be held at the Haliburton Legion. The date is to be set later by Zone F council.

The local hockey teams from Haliburton and surrounding area who have been practicing at the arena in Haliburton for the past month or so should have the jump on many of the other clubs who will be visiting us this winter. For the third year in a row the ice was left in at the arena following the activities of the summer hockey school. By the time the regular schedule begins, most of the hockey players, no matter what age, should be in great condition. It is certainly wonderful when one thinks of the advantage we have with artificial ice.

The Harvest Festival evening held at the Legion Hall in Haliburton recently was a great success with well over 200 people in attendance. The Rotary Club of Haliburton sponsored this very entertaining evening.

Bill Kellett, who is employed by Bell Canada at St. Thomas, Ontario, was visiting in the village over the Thanksgiving week-end. I hadn't seen Bill for years and when I met him in the Kosy Korner, I didn't even know him. During our conversation that followed he was telling me that one of his boys who is now 18 years of age, is playing Junior B hockey in St. Thomas.

The Haliburton Highlands Pioneer Museum is now closed after a very successful season. Hundreds of people visited the museum this year.

We have noticed several chartered busses in the village during the past few weeks, with people taking the opportunity of seeing the Highlands and the leaves. We were sorry to see that the leaves were not at their best this autumn and the weather was anything but good.

Well, it may be October, but up to this time the weather hasn't been too cold to stop the tennis enthusiasts from playing tennis at the courts at Rotary Beach. They will possibly be able to play right up until the time that the snow flies.

You know that we just love to get letters here at The Echo. If you would like to air your opinions on local issues why not drop us a letter and we will see that it gets into the Letters to the Editor column. All we ask is that you sign your name.

How time does fly. It's hard to believe that we are now just about two months away from Christmas. Speaking on the subject of this upcoming season, the weather experts are telling us that we are in for a real cold winter with plenty of snow. They go on to say even more snow than we had last winter.

Laurie Salvatori wins the girl's division of the turkey shoot

During the five school days last week from October 4 to 8 the Student Council at the Haliburton Highlands Secondary School ran a Turkey Shoot competition.

The competition, which was staged every lunch hour during the week, was held in three divisions - girls, boys and the teachers.

The girls division winner was Laurie Salvatori, winner of the boys division was Charlie Teljeur, and the teachers division winner was Mr. Bob Penfold.

The three turkeys were donated as prizes by Haliburton Red and White, Minden Red and White, and Haliburton IGA.

The Haliburton Highlands Secondary School held a Turkey Shoot last week. The turkeys were donated by Haliburton Red and White, Minden Red and White, and Haliburton IGA. The winners were, from the left: Bob Penfold, Laurie Salvatori and Charlie Teljeur.

Soyers Lake Ratepayers hold meeting

The Soyers Lake Ratepayers Association held its fall meeting at the PineStone Inn on Sunday, October 10, 1982, with some 40 members and guests in attendance. The guests were the reeve, deputy reeve and council members and candidates for election to Anson, Hindon and Minden Council.

President Lew McCorriston, after welcoming those present, opened the meeting with a memorial to Ross Dyer, a member who passed away on August 2.

An important item of business arising from the minutes of the spring meeting was the question of the Ontario Government's Lakeshore Capacity Study. Advice had been received that the final report is to be published early in 1983, a year later than originally expected. The membership felt that in view of the magnitude of this study, any decision on the zoning by-law should await the results of the study.

A questionnaire from the University of Toronto on the conversion of cottages to permanent residences had been completed with information supplied by the Township of Anson, Hindon and Minden.

Ross Partridge, Pollution Control Committee chairman, confirmed that sampling of the lake water had continued through the summer and a report would be available from the Ministry next March. It was reported that the Association had contributed \$50 to the Canadian Coalition on Acid Rain.

Gordon Ogg and his Corn Road Committee members were congratulated on organizing a highly successful corn roast on August 28th. This is the Association's social event of the year. Music was supplied by Bob Thompson, Burt Tait, and Nellie Ettel with her guitar.

Publicity Chairman Bruce Birrell voiced the Association's thanks for the press coverage and support given by the "Haliburton Echo", "Minden Times" and "Express". He noted that the past year had been another active and successful year for the Association. Of some 140 residential sites around Soyers Lake, 132 were listed in the Soyers Lake Ratepayers Directory. At least 16 of these are permanent residences.

Fish Derby chairman, Jim Byrnes, reported a small number of entries, all bass, the largest weighing 2 lb. 12

oz. Prizes were awarded to the winners.

Another active sailing season was reported. Names of the winners in the annual regatta were announced.

The Association voted to continue its membership in the Federation of Ontario Cottagers' Association. Members were encouraged to attend the FOCA annual meeting on November 13 at Humber College in Toronto, when the guest speaker will be Hon. Alan Pope, Minister of Natural Resources. A Ministry of Municipal Affairs and Housing spokesman will present an audio-visual on the Lakeshore Capacity Study. FOCA has provided active support in the matter of the zoning by-law.

Ben Cameron presented the treasurer's report, which was adopted.

Six members were elected to serve a two-year term as directors of the Soyers Lake Ratepayers Association, namely John Thorne, Burt Tait, Victor Ettel, Lew McCorriston, Bruce Birrell and Primrose Birrell. Lew McCorriston announced, amidst protest, his intention to retire as president after eight years' service in that capacity, although he will continue to work for the

Association.

The remainder of the meeting was devoted to discussion of the draft zoning by-law and the forthcoming municipal elections. The zoning by-law was undoubtedly the major piece of proposed legislation affecting cottage owners introduced during the year. It appeared that the planning consultants had drafted radical changes to the existing by-law of the Township of Anson, Hindon and Minden, affecting the right of ratepayers to use their cottages as permanent residences and laying down minimum lake frontage for future properties. In an early presentation, most of the existing cottage properties had been designated "residential recreational - not suitable for permanent residence". However, many of the existing dwellings had been built to meet current stringent requirements and were intended as permanent retirement homes. The proposed rezoning would deny their owners the right to live permanently on property purchased for that purpose.

Reeve Walker clarified that the minimum lake frontage was 100 feet.

Genealogical research at the Ontario Archives

by LEOPOLDINA DOBRZENSKY

My pioneer ancestors immigrated to the Peterborough region from Ireland. I would like to find out more about them.

A good place to start genealogical research is at the Ontario Archives, 77 Grenville Street, Toronto. The Archives' staff are on duty Monday through Friday, 8:30 a.m. to 5 p.m., October through May, 8:15 a.m. to 4:30 p.m., June through September. A prospective researcher has to fill out an application form for research privileges and receives a registration card which is valid for one year. Consultation with the Duty Archivist about the research project follows registration. The Archives has many interesting microfilms such as Census Records, Vital Statistics, Land Records, etc. 1. Census Records: The Archives has microfilm copies of the decennial census for 1851, 1861, 1871 and 1881. The originals are in the Public Archives of Canada, Ottawa. These contain the nominal or name returns of households and include such

information as age, country of birth, religion and occupation of family members. If there is an agricultural census included, this will show the lot and concession the family lived on.

2. Vital Statistics: These records include church records, cemetery records, marriage records; registers of district and county, Upper Canada marriage bonds, marriage licences, marriage certificates. They deal mainly with the period prior to 1869, when compulsory registration of births, marriages and deaths came into effect. After 1869, information could be found in the Registrar General's office.

3. Land Records: This is probably the largest group of records of interest to the genealogist.

4. If your ancestors came to Peterborough in the year 1820 with Peter Robinson, you will be interested in the Robinson papers. This collection contains information regarding this Irish immigration to the region. The papers contain ships' lists and location tickets. Some information is also included in the computerized Land Record Index.

Feir Play

by Creighton Feir

Milt Dunnell in a recent column in the Toronto Star, pointed out that our friends Bryan Watson, a former tough guy who led the NHL in penalty minutes during the 1971-72 season, now boasts about the quality of his pizzas. Claims they have won a coveted award in Washington for consecutive tears.

Every year about this time when the Thanksgiving week-end is over we find it a little depressing and sad when we have to say goodbye to many of our good friends who come up in the early spring, stay until Thanksgiving and then head back to Toronto or some other centre in Ontario for the winter months. I have had the pleasure to get to know most of you personally and I am always fascinated by the interest that they show in local affairs and the wonderful manner in which they get involved with various organizations in the community. They are wonderful people and I can hardly wait until they move back and become year round residents. It's the new blood in any community brought in by these people with new, fresh ideas that is going to help to make the county go ahead.

Local viewing of paintings by Ethel Curry at the Gallery

Miss Ethel Curry of Haliburton, who has had the distinct pleasure of painting with members of the Group of Seven and taught many young painters, has her work displayed at present during the Exhibition of Paintings at the Rails' End Gallery at Haliburton, which runs from October 9 to November 6. This, by the way, is the first local viewing of paintings by Ethel Curry.

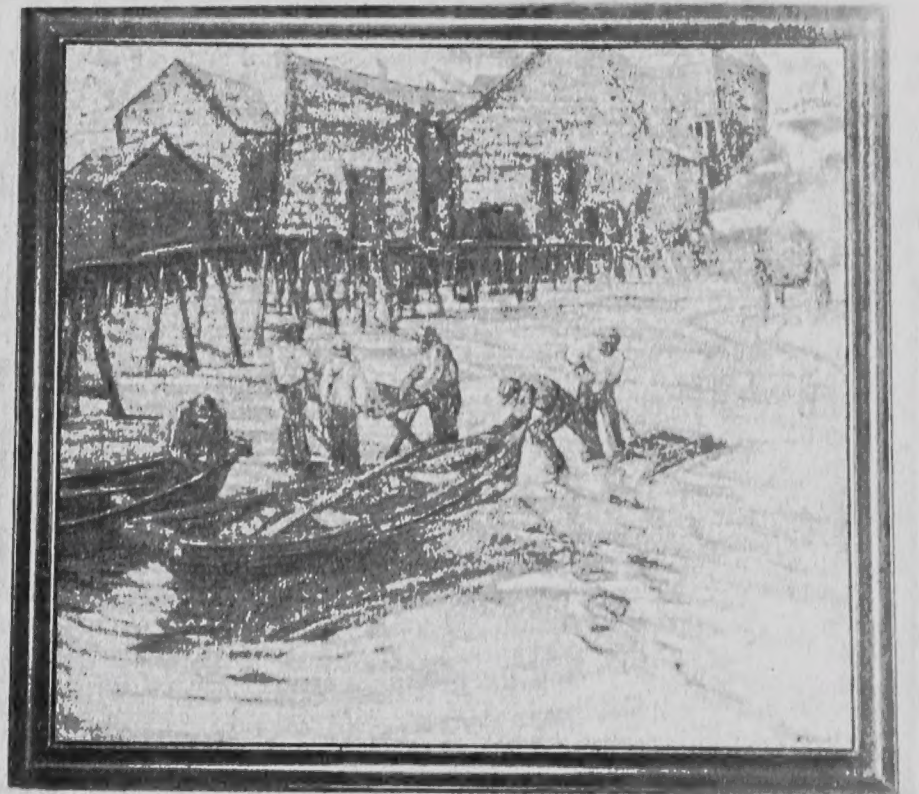

The present show at the Gallery features the paintings of Murray McCheyne Stewart, William Sherman and John Joy - "Three Artists Paint Haliburton". Two of these artists, William Sherman and Murray Stewart, were among the many young painters taught under the guidance of Ethel Curry. Some of the paintings now on display include East Bay River, Main Street, Haliburton, Curry's Mill, Winter in Haliburton, Banks' General

Store, Haliburton Farm, The Mill at Kilmount, April Drag River, Gull River Head Lake, and many others.

The first person from Haliburton County to pursue art at a professional level was Miss Ethel Curry of Haliburton Village; a daughter of businessman W.R. Curry, who, after graduating from Lindsay Collegiate obtained a teacher's certificate from the Peterborough Normal School. Her first position was a makeshift classroom in the old Presbyterian church in Haliburton where she taught 72 pupils. A chance selection of a summer school course from the Ontario College of Art held in Port Hope brought her in contact with landscape instructor J.W. Beatty. Ethel attended the Ontario College of Art that fall with 150 other freshmen. Only 12 of the number eventually graduated and aided by scholarships, Ethel Curry

was one of them.

Her student years were dominated by a genuine passion for accomplishment - in addition to Fine Arts courses by day and Commercial Design in the evening, she learned teaching skills as an assistant to Arthur Lismar, then pioneering children's Saturday morning Art courses at the Toronto Art Gallery. After graduation she joined the Art Department of Toronto's Northern Technical School where she taught sculpture and in later years commercial design and ceramics as well as evening lessons in Figure Drawing and Sculpture with freelance work in her spare time. Summer holidays were often spent teaching at children's camps and until her retirement to Haliburton in 1965, week-end workshops and demonstrations with various art groups were a frequent occurrence.

Ethel Curry, a resident of Haliburton, was the first person in Haliburton County to pursue art at a professional level. Her work is on exhibit now at the Rails' End Gallery in Haliburton.

From time to time you will hear some people remark that there isn't enough activities going on here in Haliburton County for our young people. In other words what they are saying is that there is just not enough activities and events for adults and children alike.

Some citizens who have moved into such communities as Haliburton and Minden with dreams of residing and retiring here in Haliburton seem to miss the hustle and the bustle of other larger centres. Some of these people, soon after they have arrived here move away where they have more opportunity to seek a wider range of entertainment, sports and shopping.

We all must agree that we are without the advantages of the big attractions of other larger centres, but we firmly believe that there is plenty to do here, if one wants to take part and participate.

Granted, there are many things that we don't have, such as a Y.W.C.A. or a Y.M.C.A., an Eaton's Centre or a Roy Thomson Hall. We don't have professional sports here and we are lacking in top notch entertainment but think of the many wonderful things that we do have here right on our door step.

If one is looking for something to do why not join one or two of the many organizations in the county who are always looking for help and new members. As far as sports are concerned, especially in the winter months we have modern arenas in most of the major communities for hockey, figure skating, curling and public speaking. There is even a squash club located in Haliburton and when it comes to shopping why not come to Haliburton County.

Welcome

During the past few weeks hundreds of visitors have been coming back to the Highlands of Haliburton to view the coloured leaves and the beautiful countryside. In most cases the weather has been good and many people suggest that September and October are two of the nicest months of the year. We agree.

During these two months each year the air seems so clear and fresh and it makes those who work inside feel that there is only one place to be with weather like this and that it is outdoors.

People have been arriving in the area by cars, trucks and colour tour buses. This is a great help to the economy at this time of year and these visitors no matter how short their stay may be spend money at the local restaurants and business establishments.

During the past few weeks we have noticed several colour tour buses travelling throughout the Highlands to view the scenery.

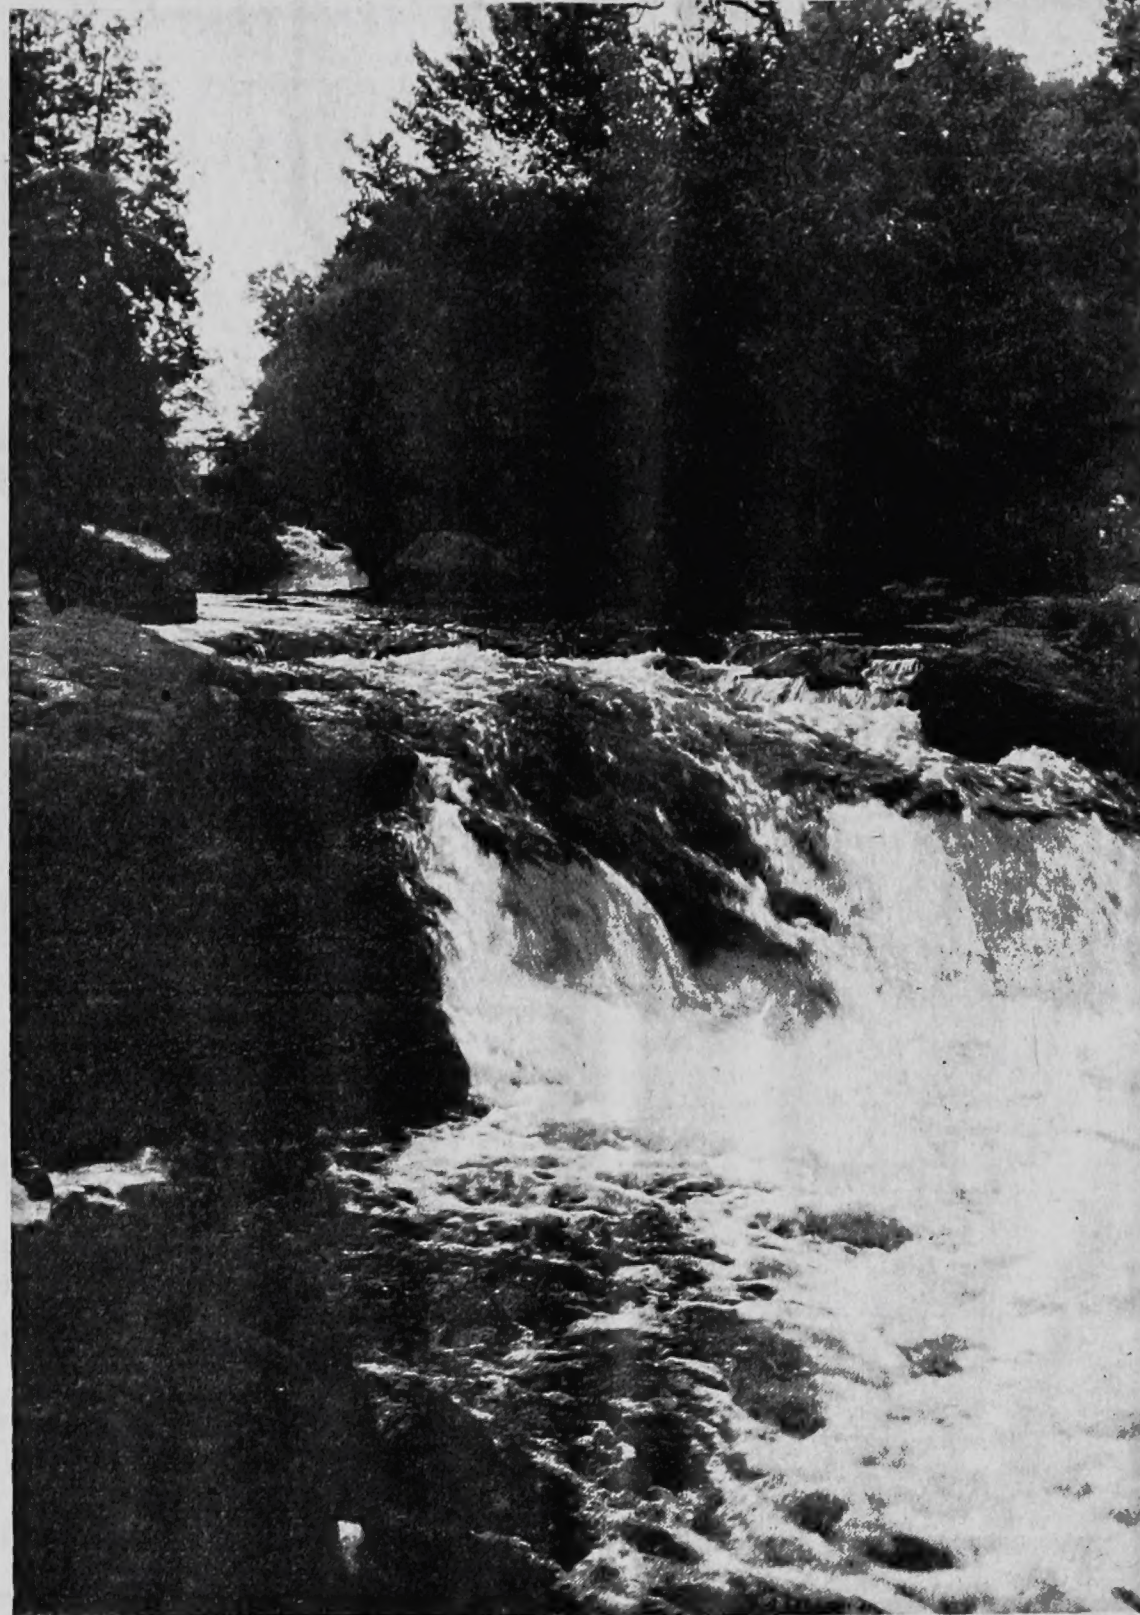

The three most interesting spots as far as the visitors are concerned are at Skyline Park and the new Head Lake Park at Haliburton and at Panorama Park in Minden. These three tourist attractions are a must if you are considering a fall visit into the Highlands. We would also like to remind you that there are also many other beautiful places to see when you are here.

Participate

More and more in our everyday lives we are hearing the word participation used by so many speakers at various gatherings. They are telling us to get out and participate in something in the community or get out and participate by running, walking or jogging to keep in shape.

This word participation means a great deal to any community. It means that if we want a better community in which to live we must as citizens of Haliburton County start to participate and take an interest in local events and affairs.

We can all start right now by getting involved in one way or the other with the municipal elections which are coming up on November 8. You may wonder how can I participate in these local elections. First, find out who the candidates are, and what qualifications they bring to public office. Ask them where they stand on the issues you're concerned with. Talk to the candidates, their campaign workers and your neighbours. Attend election meetings and discuss the issues. This election concerns you, your money and your community.

RITCHIE FALLS

by TERRY JOYCE

As Others See It

October 17 - 23 is School Bus Safety Week

Canadian students are taught that motor vehicles have to stop for school buses boarding or disembarking passengers with signal lights flashing. The younger ones especially are trusting, and therefore have a sense of security when crossing the road that the Canada Safety Council says is based on a false premise, for all too often the driving public simply does not respect those flashing signals.

October 17 - 23 is School Bus Safety Week in Canada, and the public is being urged to become involved, whether individual people currently have students using school buses, or not.

Some may wonder "how?" and the Canada Safety Council has some suggestions:

* Ask the police department in the community to enforce the no passing laws more strictly during the special week, in order that motorists

might become more aware of the hazards involved.

* Ensure that all drivers in the family understand the law as it relates to school buses and the reasons for it.

* Participate in discussions about school bus safety with students, and show them that adults consider this an important subject.

* Attend displays or demonstrations staged by local school authorities or local school bus operators.

* Take a Defensive Driving Course to ensure personal driving habits keep up to scratch.

Children will see posters showing Elmer, The Safety Elephant exhorting them to "Watch for Big Yellow". Every road user should do the same.

Letters to the Editor

Seasonal resident would like some answers

To the Editor:

As a seasonal resident on the Bethel Church Road there are a number of concerns I have regarding recent attempts to improve this road. I would like answers to the following questions before I go to vote in upcoming election.

- 1) Who requested these "improvements"? Nobody on this road was consulted to my knowledge.
- 2) How much did this work cost and who is going to pay for it? In a time of restraint, when the municipality claims to be broke, is this a wise expenditure of money, especially when the township cannot even afford to properly grade such roads?
- 3) Why was the road left in such a mess and why were embankments along the road left to look as though this were a bombed-out area?
- 4) Is the road not more dangerous now due to the soft sandy shoulders and the high elevation from the surrounding fields?

From my point of view I think residents should be consulted before major changes are made that affect them, especially when those changes are costly and may not be necessary. I thought the road was quite adequate before, needing only occasional grading. The grading has been quite

inadequate this last summer, the worst the road has been in years. If the township cannot afford to maintain the road how can it afford to spend this money now? If this work is intended to get my vote, done just prior to an election, I'm afraid it has not succeeded.

Yours truly,
David Fillmore

To the Editor:

It's not too often that a writer of a "Letter to the Editor" replies to the "Editor's Note", but this is that rare case and at the same time - trusts the editor prints the reply.

I took you to task (October 6) for not giving Branch 129, Royal Canadian Legion, much advance publicity for their impressive Drumhead Service held in the village September 26.

You pointed out in "Your Note" that you indeed did give the Drumhead Service good mention.

I dug up the September 15 issue and after doing a "starch" on it found the article!

Yes, you did assist the Branch for this occasion and I hope in the many times to come you'll headline their stories in bold face type.

Feir Play

by Creighton Feir

It's just about time that we started to face the facts and the facts are that any person who resides in Haliburton County and tells you that the economy here is in great shape, is just one step away from the need to see a psychiatrist. I wonder just how long we are going to go along fooling ourselves, and this is just what we have been doing. If the economy was booming here like it should be, we would have jobs for our young people who now have to leave home to seek employment in other centres, and we would not always have to be after the provincial or federal governments for assistance. We would have fewer businesses going into bankruptcy. Some people will tell you that it was really a busy summer here and possibly this is the truth, but how long is it going to take the majority of people to find out that we can't live here on six weeks or if we are lucky, two months of summer business. What we really need here is something that will employ more people who when they get paid, will spread their money around twelve months of the year and then we will all benefit. It's just outright ridiculous when you see certain people opening up business for two months of the summer, then close it and gently drift away. What good does this do anyone? If everyone did the same thing we would only operate our villages and towns for two months in the summer. It's the businessman who operates his place of business twelve months of the year that makes his community tick.

The Rev. Dr. Winston I. Nunes, who has been a pastor at Faith Temple in Toronto for the past 25 years will be the guest speaker when the Full Gospel Businessmen's Fellowship in Canada (Hyland Chapter) hold their monthly dinner meeting this coming Friday evening, October 15, starting at 7 p.m. at the Royal Canadian Legion Hall in Haliburton. Presently he is serving as coordinator for the Metropolitan Toronto Charismatic Clergy Fellowship, and also as International Advisor-at-Large for the Women's Aglow Fellowship. Dr. Nunes is a preacher, having a Spirit-anointed ministry of instruction, inspiration and impartation. He is praying and believing God to see one billion people come to know Jesus Christ as Lord and Saviour in this final harvest time.

Members and Ladies Auxiliary representing the following legions - Kinmount, Haliburton, Bobcaygeon, Fenelon Falls, Lindsay, Omemee, Brechin, Beaverton, Cobocok, Sunderland and Cannington, attended the Royal Canadian Legion Zone 4 Convention held in the Legion Hall at Fenelon Falls on Sunday, October 3. W.F. Dermedy, publicity chairman for the Legion, reporting on this event in the Lindsay Post, went on to say that Zone Commander Doug Worrall introduced the honoured guests who were present for the occasion. Vice Chairman Julie Page of Sunderland was asked to take over the chair and conduct the meeting. Secretary-treasurer, John Mathieson of Cobocok, read all the correspondence, minutes of the last convention, as well as Zone F-4 council meetings. District F-Legion youth and education chairman, Robert Brown of Bowmanville, District F-Legion public relations chairman, Gail Simpson of Norwood and Past District F-Legion Commander Merrill Dunn of Cannington, were asked to speak briefly and they all expressed their appreciation for having the privilege of being invited to attend this convention.

The following is a poem written by Joy Ballard of Wilberforce, Ontario. This woman is an outstanding person and this poem tells us of some of her thoughts.

Seasons (in Haliburton)

Clouds like whipped cream scatter the sky,
Spires of spruce trees reach up on high,
Maples spread arms in graceful array,
Greens, yellows, crimsons, all on display.
Geese flying south honk loud overhead,
Hibernating creatures ready for bed.
Soon quilt of snow will cover the ground,
Nature will sleep - there'll be hardly a sound.
Some hardy birds will still winter here,
Prints in the snow show presence of deer.
All games of winter children will play,
While cosy by firesides elders will stay.
Days become shorter, nights long and cold,
Snowbanks with icy grip landscapes unfold.
Hope springs eternal, so does the Spring,
Blossoms will show and birds again sing.
Nature awakes and life seems reborn,
Hearts become happier, more smiles are worn.
Warmth seeps right through us, sun bathes the earth,
Futures seem brighter, souls feel rebirth.
Summer brings rest, relaxation and growth,
Good weather and fun, all enjoy both.
Annual miracles, free to us all,
Winter, spring, summer, and colourful fall.
Four seasons go by, as many before,
As older we get, we hope many more.

Lynn Craigmyle, manager of the three local Bowes and Cocks offices, told me on Monday that the month of September was the largest single month for sales that Bowes and Cocks Realtors Limited have ever experienced since coming to Haliburton. Mr. Craigmyle went on to say the staff of the Minden, Haliburton and Wilberforce offices will be attending a volume party in the near future.

VIEWPOINT

Pic of the Past

It's that time of the year again when local hunters start to polish up their guns and prepare for the hunting season that lies ahead. We thought that this week the photo submitted by Mary Hadley of Gooderham, Ontario would bring back some fond memories of hunting seasons of the past. This picture, which was taken by Earl Johnston in 1943 at a hunting

camp just south of Gooderham, shows the hunters and the six bucks and four does they had shot during the hunting season. The men in the picture from the left: Norman Johnston, Ronald Hunter, Allan Madill, Lorne Madill, Aldridge Hunter, Thomas Dovell, and Allan Hadley.

Queen's Park by John Eakins, MPP

Government is the sixth largest advertiser

Government Advertising

It's been strongly recommended by Liberal MPP for St. Catharines, James Bradley, that the Provincial Government should set a good example in this period of restraint, by cutting its \$40 million advertising budget by 75 per cent. He pointed out that the government is the sixth largest advertiser in the entire country, and urged that advertising budgets be "cut to the bare bones in non-essentials". The Treasurer has stated that Ministers have been advised to reduce advertising budgets as part of a \$400 million budgetary cut for this fiscal year, although no specific advertising budget cuts have been imposed.

Road Deaths

According to the Ministry of Transportation and Communications the death rate on Ontario highways decreased in 1981 to its lowest level in more than a quarter of a century. Also for the first time in that period, the use of provincial highways has declined. Traffic deaths declined to 1,445 from 1,508 in 1980, and at the same time the number of kilometres travelled dropped from 72.4 billion in that year to 70.9 billion in 1981. However, the year's fatalities among motorcyclists increased some 16 per cent, from 81 in 1980 to 94 in 1981,

the highest figure since 1975, when 97 motorcyclists died. There was an increase of the percentage of fatal automobile accidents involving drinking drivers, to 32 per cent in 1981 from 30.1 per cent the previous year. Statistics show that of all the drivers killed in accidents, 58.7 per cent had been drinking. According to ministry figures for 1981, passengers and drivers who were not wearing seatbelts are 23 times as likely to be killed in an accident than those who have buckled the belts.

Public Health Nurses

A group of nurses from the Niagara Region told the Legislature's Social Development Committee that the government is entrenching old-fashioned costly medical policies in its public health reform bill. The nurses claimed that the bill's delegation of authority is "based on the patriarchal supremacy of the medical doctor over other health professionals...and fosters medicine's vested interest in maintaining solely curative goals." In a brief to the committee, the nurses stated that public health nurses and other advocates of health and prevention have "not been given equitable recognition and protection" by the bill. Two examples cited of nurses being capable of doing a better job than doctors were healthy baby and immunization clinics.

Report from Parliament by Bill Scott, MP

National Energy Program: de-Canadianization

Yes, according to the ex-Minister of Energy, his National Energy Program is working.

I think the real title for the program should be the Negative Employment Production Plan. When defined in these terms, Mr. Lalonde's program is indeed a howling success.

Quoting from the prestigious "The Economist", a highly respected business magazine published in England, "The result has been a near disaster. The oil patch was not at its best because recession and energy conservation were beginning to hit demand, but, the NEP has come closer to wrecking an industry that, until October, 1980, was drilling like fury, finding enormous volumes of gas and much new oil, creating jobs and investment all over Canada and increasingly using Canadian-owned capacity in exploration and management. The NEP drove Canadian exploration and service companies into the United States until only 150 drilling rigs were left, the lowest number since the early 1960's - de-Canadianization in effect."

Not only has the NEP been quite successful in destroying jobs and ensuring that fewer new ones are created, it has also played a big part in weakening our economy. As pointed out in the same article of August 7, the NEP has increased Canadian interest rates, lowered our economic activity and weakened a valuable exchange rate. It took ten billion dollars of our money last year to pay for Canadian takeover of foreign-controlled businesses. When you buy your next tank full of gasoline, remember that part of your bill is going to the federal government to pay for the ac-

quisition of Petro-Fina. The Petroleum Administration Act, Section 65.26 (3) (b) authorizes the Ministry of Energy and the Minister of Finance to recommend to the Governor-in-Council that any amount of tax be added to petroleum as is necessary to fund Canadianization of oil and gas related industries.

This brings me to the latest development in the workings of the NEP, the bail-out of Dome Petroleum. As you are probably aware by now, the government and four of the major banks, Canadian Imperial Bank of Commerce, Bank of Montreal, Toronto-Dominion Bank and the Royal Bank, have provided one billion dollars to Dome Petroleum to keep it from going under. The federal government agreed to supply half of that. Where are they going to find an additional five-hundred million? The Minister of Energy has stated that it will be done by extending the above-mentioned Canadian Ownership charge on petroleum. It is questionable, to say the least, if this bailout's prime purpose is to increase Canadian ownership, and if it is not, the Minister must explain how he can use this consumer tax. In any case, whether the tax is called a Canadian Ownership Charge or something else, you and I both know our tax dollars, either directly or indirectly, will be the source of the five-hundred million. The only alternative is to add this cost to our federal deficit. In which case, we will be forced to pay the increased interest charges. What does this mean, continued high interest rates and double digit inflation courtesy of the Negative Employment Program, NEP for short.

From the Chamber by Bob Stinson

Ontario Human Rights Code is now passed

How Was Business?

Some of the earliest Statistics are now compiled on the past season's Tourism performance and they look good for our region. They are not broken down specifically for Haliburton County but for Central Ontario. Both Central Ontario and our neighbours in Grey, Bruce and Muskoka were down slightly in August but over-all for the summer had a slight increase in business. At the same time the larger centres such as Toronto had declines in accommodation business as much as 10 per cent. Northern destinations also had substantial declines with the exception of Algoma - Kinnawabi.

We appear to be in a very fortunate position considering the state of the economy as a whole. We are close enough to the population centres to offer a logical alternative to some of the more expensive and distant trips that many of our potential visitors have been accustomed to.

Convention business is also tending to look for alternatives because of the cost of travel and many national conventions are now being broken down into several regional meetings and are looking for sites not necessarily in the metropolitan centres.

The fact that Tourism remains the most buoyant part of the otherwise depressed economy has certainly not gone unnoticed, however, and competition in this industry is becoming very keen. This trend is expected to continue and those who are not geared to get into battle for the Tourist dollar are still likely to fail while their counterparts prosper.

The Chamber wants to help it's members compete in these challenging times and has designed the Annual meeting day around some very forward looking topics. For many members who attend it could turn out to be their most profitable day of the year.

Human Rights Bill Passed

The Ontario Human Rights Code is now passed and is being circulated. This Bill created a great deal of controversy when it was first presented and we are now pleased to see that many of the clauses that made the Bill unacceptable in its original form have been altered to reflect the concerns of the interest groups such as ours who lobbied for the changes. It tends to restore your faith in the system to some extent.

No one could deny the objective of the code, which states that "Every person has a right to equal treatment without discrimination because of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, age, marital status, family status or handicap." The act then logs out in detail how this philosophy must apply to services, goods and facilities, occupancy of accommodation, and employment and how complaints will be handled. It is even sad to think that a commission has to exist to administer a set of rules that appear, on the surface anyway, to be just plain respect for your fellow man.

Some resort and campground operators who insisted on catering "to families only" or "mature adults" or various other descriptions they prefer dealing with will now find that the code as it relates to age and marital status will not allow this. Furthermore, a sign such as "Families Only" would constitute an announced intent to discriminate and is illegal. Some facilities have charged a different rate or demanded a security deposit from certain age groups or types of customers and this also will not be allowed unless it is policy for all of your clientele.

There are exceptions to the rules of course, such as Insurance companies. They can charge different rates to different ages or classifications of people, or even refuse to insure them because they are dealing with a risk factor. Tourist operators could certainly argue that they are certainly dealing with a risk factor each and every time they rent their facilities.

Help Wanted

At the time of writing nomination chairman Ken Langdon still does not have a full slate of Directors to present at the Annual meeting in another week's time. A good cross section of Directors from across the county and from various types of businesses ensures that your Chamber is working for all of you.

Directors are asked to commit themselves to attend one board meeting per month plus varying amounts of time towards some committee work. The rewards are simply your gratitude, and the satisfaction they obtain from working for a more prosperous community.

If you can help, or you know someone who can, call the Chamber office at 286-1760 or Ken Langdon at 457-1402.

Huskies lose to Essa 9-6

Huskies' downfall comes in third when Essa scores 7

The Haliburton Huskies lost 2 games this weekend. Friday night Oro defeated the Huskies in a close game, 10-9. Saturday night Essa defeated Haliburton 9-6, scoring 7 of their goals in the third period.

Oro edges out Huskies 10-9 in second game of season Friday

The Haliburton Huskies, after tying Parry Sound 5-5 in the opening game of the schedule at home, travelled to Oro on Friday night and were nosed out by the close score of 10-9. The high scoring contest makes one wonder if they had been watching a basketball game instead of a hockey game.

Playing before a crowd of 200 fans in the Oro arena, the Oro club struck fast taking a 4-2 lead in the first period on goals by Kevin Justin, Gary Crawford, Dean Rennie and Tim Cooney. Haliburton replied with goals by Don Manary and Terry Harasti.

In the second period Oro extended their lead at one point to lead by the score of

8-2. They scored four unanswered goals. At this point in the contest the Huskies finally realized that they were in a hockey game and believe it or not trailing by a score of 8-2, came back to score six goals and come out of the second period with an 8-8 tie. Mike Rae picked up three of these goals with others going to Ed Davis, Kevin Warburton and Scott Rae.

In the third period goalies from both teams tightened up and it wasn't until the fifteen minute mark of the third period that a goal was scored and this came off the stick of Handley for Oro giving them a 9-8 lead. The Huskies had the game tied

again at 9-9 when Lennie scored at the 18:06 mark. At this point it looked like the Huskies would come out with a tie but it wasn't to be. Just seconds later at 18:24 Tim Cooney scored for Oro and the game ended with a 10-9 victory for the Oro club.

Notes on the Game

It would appear that Oro have a much improved team over the club that they iced last year.

Shots on goal for the contest were even at 40 apiece. The Haliburton club had 16 shots in the second period.

The Oro club were penalized for 33 minutes of the game while the Huskies drew 24 minutes in penalties.

Led by a real speedster by the name of Kennedy who scored three goals for the hat trick, Essa, a new entry in the Georgian Bay Junior C Hockey League, skated off the ice surface at the arena on Saturday evening last with a 9-6 decision over the Haliburton Huskies.

The Huskies, playing with a young team this year, seem to be having trouble holding onto a lead. On Saturday night playing before a home town crowd of close to 200 fans the Huskies had a 5-2 lead at the end of the second period and it looked as though they had the game under control.

The Huskies' downfall came in the third period when Essa made a real comeback scoring seven goals while the local boys tallied just once.

Kennedy with three goals, Vincen with two, Roy with two and singles going to Garrigan and McIntyre were the goal scorers for the winning Essa club while Mike Rae, who is on a real

scoring spree, was the big gun for the Huskies, scoring four of the Haliburton team's six goals while single tallies went to Scott Rae and Glen Clarke.

Leftover notes on the game... If the Huskies' Mike Rae keeps on scoring the way he has in the past two games he could be in the position to break all league records in the goal scoring department. In Oro last Friday night he banged in three for the hat trick and then came back with the four against Essa for a total of seven in two games.

A total of 34 penalties were handed out in this fast hard-hitting contest with 18 going to the winning Essa club and 16 to the Haliburton Huskies.

The Huskies, who tied their first game and lost the other two by narrow margins, haven't really been what you

might say, out of the game yet.

The referees for the game were Bill Epal and Paul King.

The Huntsville Hawks will be the visitors at the arena in Haliburton this Sunday afternoon, October 17, when they will be in town to take on the Huskies in a regular scheduled Georgian Bay Junior C Hockey League contest.

Haliburton Figure Skating Club begins

new season Nov. 2

The Haliburton Figure Skating Club will begin their 1982-83 season on Tuesday, November 2. Registration will be held Saturday, October 16 at the Dysart arena from 11 to 2 p.m.

Registration fees for the coming season will be as follows: for beginners the fee will be \$50 and for skaters with one or more badge the fee will be \$60. The Canadian Figure Skating Association fee which goes to Ottawa is \$5 a skater in addition to the club fee.

The money from the fees will entitle all juniors up to badge 12 to instruction from the Pro. The seniors must pay individually for all lessons from the Pro in addition to their registration fee.

The skating schedule for the club will be every Tuesday and Thursday. Junior skate from 4-5 p.m. and seniors from 5-8 p.m.

This year the skating club will be holding their annual turkey dinner on Sunday, October 24 at the Haliburton Legion from 4-6 p.m. Plan to attend.

Friday and Saturday games begin at 8:00 p.m. Sunday games are scheduled for 2:30 p.m.

An Essa player takes a shot on goal Saturday night at the arena. The Huskies lost 9-6.

Big Six holds position

Joan MacKay led the Big Six to victory with a 658 triple and held their top position with 16 points. Harry Henderson with a 615 triple brought The Chunks in for a close second with 14 points.

Doris Grant bowled a 283 single to put the Gum Drops in 3rd spot with 10 points. The Turtles run 4th with 9 points and the Smarties and the Humbugs bring up the rear with seven points each.

Games 200 and over: Doris Grant - 283; Norma Parish - 246; Gail Teasdale - 249; Joan MacKay - 243; Ev Perrin - 226; Darlene Fearney - 218; Harry Henderson - 212

- 207; Mary Woodcock - 217; Gord Bennet - 211; Kay Barry - 202; Wilbert Gibbs - 212.

Hole-in-one at PineStone Inn

Dr. Charles (Chuck) Beamish, a member of Dalewood Golf Club, Port Hope-Cobourg, scored the ace, the first of the year at PineStone on the 160 yard third hole.

His son, Charles and playing companion, Ian Miller, witnessed the perfect eight iron shot last Sunday.

Bob MacNaull, representing the Haliburton Minor Hockey Association, and Merv Barry for the Minden Minor Hockey Association, were presented with a cheque for \$1,000 each from the Royal Canadian Legion, Branch 129, last Thursday night. The Legion hopes to be able to donate some money on an annual basis, depending on funds at that time.

856 new doctors graduated

The College of Physicians and Surgeons of Ontario, the governing body of the medical profession admitted 856 new members to membership and to the practice of medicine on Friday evening, October 1, 1982.

The Admission to Membership Ceremony was in the Ballroom of the Westin Hotel in Toronto and the President of the College, Dr. Alan Lane, granted Admission Diplomas to the newly qualified members.

In his welcoming address,

the President emphasized the many contributions of the medical profession to Ontario and the role of the College in setting and maintaining high professional and ethical standards. Dr. Lane encouraged new members to adhere to proven principles and ideals, to be active in their communities and in the affairs of the college, and to be patient and tolerant of society's sometimes insatiable demands on the medical profession.

The Honourable Bette

Stephenson, M.D., FCFP, Minister of Colleges and Universities and Minister of Education for Ontario, gave the Ceremonial Address to the new members, their families and friends.

The Ceremony was attended by members of the council, members and guests and by senior representatives of government, universities and hospital and medical associations.

Environment applies for intervention rights

Environment Ontario is applying to U.S. District Court to be recognized as an intervenor to take part in negotiations between the U.S. Environmental Protection Agency and the Hooker Chemicals and Plastics Corporation on the company's S-Area site, Environment Minister Keith Norton announced today.

The negotiations involve the containment and clean up of industrial wastes disposed by the chemical manufacturer in the site adjacent to its Niagara Falls, N.Y. plant and 200 yards from the Niagara River. Mr. Norton told the Legislature.

"Waste products from the manufacture of more than 250 chemicals were dumped in this site between 1947 and

1975. We estimate that a total of more than 70,000 tons of wastes have been placed in this and the adjacent N-Area sites including wastes from the production of caustic soda, chlorine, chlorotoluenes, mirex, and halogenated organic chemicals among other products."

He tabled a report produced for the Ministry's Niagara River Improvement Team by Geologic Testing Consultants Ltd. (Ottawa) which concluded:

A) The groundwater, in the fill material used to reclaim sections of land from the Niagara River and the sediments immediately below it, is heavily contaminated with organic chemicals originating at the S-Area site.
b) The groundwater flow

direction in this upper layer is primarily southerly, towards the Niagara River. There is also a downward flow of water into the underlying Lockport Dolomite (limestone).

c) The upper 10 to 15 feet of Lockport Dolomite contain relatively high concentrations of organic contaminants. The groundwater in this rock layer moves initially north and then turns westerly to the Niagara gorge downstream of the falls.

d) There is a "reasonable potential" for some of the organic contaminants to move down through the rock and then to move south towards and beneath the Niagara River, in the direction of the Canadian side.

Mr. Norton said his Ministry intends to make sure that Ontario's concerns about this industrial waste site are resolved in any agreement reached on remedial action for the site. He added that contaminants

from the site have reached groundwater and have access to the river.

"As you can see, we regard the situation at the S-Area as serious".

He said that he has already written to Environment Canada, the U.S. EPA and to New York State Department of Environmental Conservation, stressing the concerns identified by the Niagara River Improvement Team and that the report is being filed with all three agencies.

Soyers Lake

from page 3

age requirements under the new by-law would be 40 metres, not 30 metres as reported elsewhere.

The feeling of the ratepayers was that if the cost of providing services was becoming an embarrassment to local authorities, a viable alternative would be to offer limited services only and to record such limitations in the deed to the property concerned. Reeve Walker and the other members of council present at the meeting were unanimous in supporting the

position taken by the ratepayers.

The President then thanked Reeve Walker, Deputy Reeve Lyle McKnight, the members of Council and the candidates for election to Council for attending the meeting, and invited each in turn to speak briefly to the ratepayers and outline his platform. Association members were reminded that advance polls will be open on Saturday, October 30, and Saturday, November 6, for those unable to vote on election day, Monday, November 8.

Above, Sylvia Sisson, president of the Royal Canadian Legion, presents cheques of \$1,000 each to Pat Atkinson, representing the Minden Figure Skating Club and Emily LaRue of the Haliburton Figure Skating Club. It is hoped that this money can be used to encourage interested children who can't afford to join the club. The Minden Club is also going to use some of the donation to help pay for a new sound system already installed.

LINDSAY TRAVEL

(Ltd.) 87 KENT ST. W., LINDSAY, ONT. (705) 324-2301

To the Voters of the Municipality of Dysart et al

It was a sad and hard decision to make when I decided not to stand for the position of Deputy Reeve for the next term of Council.

I have talked to a great many of you, the voters. I appreciate very much your encouragement and stand but if I had changed my decision I would not be a very capable representative on Council. Don't you honestly think so not to go back on my word.

However, I will take a rest after 15 years on Council and "perhaps" will take a further look at a future date.

Contrary to what you might have heard, my health is in perfect condition and should I have decided to run, this would be no problem.

As I look back to 1965-66, my first term as Councillor for Ward 1 under Mr. Roy Brohm and Deputy Mr. Walter Hobden, it brings me thoughts and memories of the Municipality of Dysart and my first time as Councillor. During this time I have accomplished a great deal for the People and Dysart has really advanced. A lot of water has gone under the Bridge.

One Resolution I regret not being in Council for is a resolution I moved and Council passed on August 16, 1977 giving Harcourt, West Guilford and Eagle Lake better representation on Council thus a seven man Council.

Perhaps the Roberts Rules of Order may have to apply in a Council of this size, but I hope not.

In checking on this resolution, check August 18, 1977, Haliburton County Echo for details.

Again, I would like to thank all the voters of Dysart for their support at the polls in electing me for the past number of years. Perhaps I may have the opportunity with your authority to have me back at a later date.

Many, Many Thanks,
HAROLD BANNON
Deputy Reeve
Municipality of Dysart

FAMILY

Reflections on Thanksgiving

by REV. JOHN JAMES

It all started with an ice cream cone - my thoughts on Thanksgiving, that is. My wife (Barb) and I had stopped at MacDonald's restaurant on a trip to the United States. For dessert we ordered ice cream cones. As I was eating mine a thought flashed through my mind. "This is all right but it sure has nothing on the Kawartha Dairy's mint chip ice cream that I can get back in the Haliburton Highlands. Then a new thought came. "I'm thankful I live in Haliburton Highlands. This is the only place I've lived where Kawartha Dairy's ice cream has been readily available; I'm thankful for that because it's my favourite ice cream."

One hour later on our trip we were crossing the border at Fort Erie. I could see a cannon (left over from the War of 1812) guarding the Niagara River in case any of our neighbours in Buffalo became rambunctious. As we drove across the Peace Bridge a thought came. "I'm thankful that the War of 1812 is over. "I'm thankful the cannons don't need to be loaded and aimed against the Americans. I am thankful that we have Americans as our country's neighbours. I'd far prefer making a border crossing into the U.S. than into the Soviet Union."

On this trip Barb and I were travelling without our three children. The two pre-schoolers were left with my mother and our six year old with some friends in Haliburton. Occasionally, as we travelled, one of us would say to the other, "I wonder what the children are doing now?" Then the thought would strike, "I'm thankful for grandparents and friends, for people you can count on". I'm thankful we can leave the children (and also the cat) in the care of others and not have to worry. Life simply could not continue if it were not for the unpaid service people give to one another.

When we arrived at our destination in Darien, Connecticut, we found ourselves billeted at the home of some people who had "made it" economically. They lived in an eight bedroom home on the Atlantic and even our guest bedroom had a full bath. Mike McManus, former Washington correspondent for Time Magazine has said of Darien, "its people, a lot of them anyway, who have made it in corporate America. These people are blessed with interesting work, high incomes and many recreational opportunities".

In the midst of plenty a person would be tempted to say "Look what I've done. Look what I've made." One evening, just before sharing dinner, our host bowed his head to return thanks for the food and I was thankful to hear his simple yet profound prayer of thanksgiving for the bounty that was there.

As I reflected on these thoughts about Thanksgiving some words from long ago came rolling back across my mind. These words came from an old hymn:

"Count your many blessings, name them one by one
And it will surprise you what the Lord has done."

These words came from the Bible: "Give thanks to the Lord, for he is good."

And these words came from a man in Nova Scotia:

"If we stop to think, we'll be led to thank."
When is the last time you stopped to think?
When is the last time you were led to thank?

This and other oil paintings by John Joy, along with paintings by William Sherman and Murray McCheyne Stewart are on exhibit at the Rails' End Gallery in Haliburton until November 6. All three well-known artists were students of Haliburton's Ethel Curry.

Happy Gang News

by Allin Macklin

We started off the week musically with Jan Shipley playing piano and singing with the choir for our regular choir practice.

On Tuesday, we all gathered to the dining room to play bingo but were unable to as our volunteers were unable to come and Ivy was away in Peterborough at a workshop. Maybe next week will be better.

Weather was on our side on Wednesday as we took a bus trip to Dorset with Ivy driving. The leaves with their beautiful colouring made the trip very enjoyable. We stopped off at the tower and Ray Smith enjoyed it so much he went up the tower twice. After having lunch at the tower, we then went into the town of Dorset and had ice cream cones.

On Thursday, we gathered up a bunch of flower pots and brought in all the plants from outside that we will be able to keep for the winter. The flowers that are remaining outside are still quite beautiful.

Jim Cooper arrived Friday morning for devotions, accompanying him was Kim Brown playing the piano. Thank you Jim and Kim; we enjoyed your service very much. In the afternoon we ended our week's activities with movies.

Our good friend Charlie Stormer, came in with lots of woodworking for us to do.

ing where we discussed any problems we are having, the financial situation and the programs we are going to have.

Devotions were held with Lte. Buell and Jack Pollard accompanied him on his harmonica for the hymns. Lte. Buell had a very good service and message for all. We ended out the week's activities with an afternoon of movies.

We would like to extend our congratulations to Ivy Shaw who is expecting in May.

We are making wooden rabbits which could be used for either planers or book storage. We have a long list of orders for these and it is keeping us busy making them.

After being on summer holidays, June Devolin came in to continue Bible Study. We were really glad to see June and missed her when she was away in the summer. In the afternoon we had bingo, with Ray Smith calling and Ivy helping us. On Thursday we had our regular fun and fitness and in the afternoon we held our monthly Happy Gang meet-

Trent Severn

The Trent-Severn Waterway Reservoirs contained 50.2% of their maximum storage on October 4, a drop of 3.3% over the past week. While many of the Reservoir Lake dams are already set with their normal number of winter logs, some still have logs to be removed over the next couple of weeks. The three Reservoir Lakes (Kushog, Little Bob, and Big Bob) which have been drawn down to winter level early the last two years to prevent Lake Trout spawn being left in the dry by receding waters will have logs put back in about October 13, which will

hold the lakes to about the levels observed on the Thanksgiving weekend.

Over the past week the Kawartha Lakes have been allowed to recede well down into their navigation ranges before flows were reduced to stop them. After navigation closes on October 13, Scugog Lake will be lowered to 6 cm. below the minimum of its navigation range, and Sturgeon Lake will be lowered by 30 cm., to help with the reconstruction of Lindsay Lock and Dam. The water which is run off these lakes will be stored on Buckhorn and Stony Lakes, to be run

off gradually, keeping the river flow within power plant capacity.

Lake Simcoe - Couchiching stood at 218.83 metres, a level only 3 cm. above the rule curve elevation. The discharge from the lake has remained well above average for the past week, while the Black River flow is about average for this time of year.

Navigation through the locks will end on Wednesday, October 13, but a busy maintenance and reconstruction season is just beginning. This will be our last newsletter of the 1982 season.

Senior League by Bert Harrison

There has been so much happening here at Hyland Crest, to tell you all about it, I will do my very best.

Our administrator has been on holidays. We kids here, have had a jolly time while he has been away. Now we have the finest nurses you'll find anywhere in the land. If left alone to do their job, everything will be grand.

They are cutting costs here wherever they are able. We aren't getting cookies lately, served at our table. Oh we get lots to eat, we shouldn't grumble. The cooks are really good to us, and always seem so humble.

There was a nice service in the Chapel Sunday night. In the absence of the Thompsons the Parkers filled in. Beth played the singing. Fred read the lesson, spoke briefly and led in prayer. Rev. Burgess took over from there. He always has a really interesting topic for us, spoke so plainly without a bit of fuss.

We had some dear friends call on us while in town. The Ralph Coopers from Brantford, also Muriel Brown. Our oldest son, and wife called on us Sunday after a pancake breakfast at Stanhope airport. They have three sons who have aeroplanes and think it is a great sport.

Linda showed us some fine movies Monday night. "Speed the Plough", "Salmon Running, Bears Cuddling", and "The Heart of Highland Nova Scotia". What a sight.

Edith Welch has sold her house to someone out of town, and she said to me "I will have so much money, I

guess I will go on a spree". Tuesday morning, a lovely communion service was held in the Chapel and conducted by Rev. George Elliott. It was a lovely October day.

By the way, Tuesday afternoon Doris took us in the bus and drove us all around to see the colour of the leaves before they hit the ground.

Tuesday night the Earl Cooper family came to help form the "Scottish Dancers". They danced down in the gym, all dressed up in their kilts. They looked so nice and trim. When the pipers played some real lovely tunes the dancers danced so gracefully all around the room.

The Shorters had their granddaughter for a day or so in their town house, where they like to go.

Ruby Lewis has been away visiting relatives for the last few days.

The Minden Anglican Church ladies brought in the lunch this Thursday after-

noon The lounge was filled with residents until there wasn't any more room, waiting to sample the lovely lunch the ladies had brought in. We thank you ladies. We hope you will come again.

Thursday, October 7, here at Hyland Crest, Mrs. Corley had five generations as her special guests. Congratulations Mrs. Corby, and best wishes to those who live to enjoy five generations are very few.

Friday afternoon it is singing time again in this place, conducted by Norma and Grace. Grace read about trying to get even with someone else when you are only hurting yourself. She sang "Amazing Grace" which was lovely. You know we have an "Amazing Grace" who comes in every Friday afternoon to this place to entertain us with palms and song. Norma and Fred Ballard come along to play for the singing. Much pleasure to us they are bringing.

A Kero-Sun™ Portable Heater is a real comfort in emergencies.

Keeping a Kero-Sun™ Portable Heater in your house makes a great deal of sense these days. Because they don't depend on electricity, these handy units can keep you warm and comfortable during an unexpected emergency such as a power outage. There are 7 different U.L.C. listed models to suit your individual needs. From the super powerful Omni 105 to the super compact Omni 15. And our Moonlighter™ model provides heat and light - plus cooking surface! A guard/cooking rail is included with all Omni™ and Moonlighter™ models. And to save money, you can place

one of these heaters wherever you need heat, and keep your thermostat turned down. 99.9% fuel efficiency means odorless, smokeless operation. Battery-powered ignition system and automatic shut-off device for extra safety. See a demonstration today.

Carroll Driscoll - Peterborough, Ontario

UCW fall rally held was well attended

About 70 ladies representing Carnarvon, Gooderham, Haliburton, Ingoldsby, Lochlin, Maple Lake, Minden, Tory Hill, and Wilberforce U.C.W. gathered at Ingoldsby United Church on October 6 for the Fall Rally of Region 6. Quiet music was played by Miss Glenna Beckham, of Haliburton, as the ladies were gathering.

Mrs. D. Finlay, Chairwoman, opened the rally, remarking on the beauty of the countryside at this time of year. She read a poem entitled "My Gift from God", and stated that we have work to do in the U.C.W.'s in sharing God's love, the theme of the rally. "Praise the Lord, Ye Heavens adore Him" was sung.

Rev. John James extended a warm welcome to all, and inspired the ladies by stating "Let us give thanks to the Lord, for He is good".

Minden U.C.W. led in morning devotions. "Come, let us sing of a wonderful Love" was sung. In the meditation it was stated that real worship is offering our lives to God, and that we, as Christians go to church to rededicate ourselves and offer ourselves to the Lord.

Offering was received and dedicated by Maple Lake U.C.W. Lochlin invited the ladies to meet there in 1983.

Reports of the activities of each U.C.W. showed all groups busy and active throughout the year. Some of the activities included serving dinners, catering to colour tours, pot luck dinners at Christmas, slides of the Holy Land, India, and Beaufort Sea, helping fire victims, Christmas baskets for shut-ins, and helping at Hyland Crest Home.

The guest speaker for the rally was Mrs. June Devolin, President of Haliburton U.C.W. She opened her address by reading 1st John, verses 7-17. She stated that she enjoyed U.C.W. because of the love she experiences there. She said that it was not how much money we raise, or how many dinners we serve, but the real quality of love we have amongst us. Encouragement and prayer are needed to keep each other going. She felt that U.C.W. should not be programs, but people. We should stress love to one another, and growth will follow, but we need to have a personal relationship with God before we can love our neighbours as ourselves. She closed by reading Philippians 2 verses 1-2 from the Living Bible - "Is there any such thing as Christians cheering each other up? Do you love me enough to want to help me? Does it mean anything to you that we are sisters in the Lord, sharing the same Spirit? Are your hearts ten-

der and sympathetic at all? Then make me truly happy by loving each other and agreeing wholeheartedly with each other, working together with one heart and mind and purpose". She felt this should be the criteria of the U.C.W. whether the group had 4 or 40 members.

Mrs. Mary Hadley, of Gooderham U.C.W., thanked Mrs. Devolin for her inspiring address and presented her with a token of appreciation.

Mrs. Leola English reported the books available for sale in the absence of Mrs. Nora Bagshaw, Literature Convenor.

Grace was sung following which everyone partook of a hot luncheon served by In-

goldsby ladies.

Lochlin U.C.W. led in a hymn sing to open the afternoon session, following which Mrs. Evelyn Coleman of Carnarvon U.C.W. led in prayer. A beautiful solo "Great is Thy Faithfulness, O Lord" was sung by Mrs. Barbara James of Haliburton.

Mrs. Thea Brandsma, president Lindsay Presbyterian U.C.W., brought greetings, mentioning the annual Presbyterian meeting at Bobcaygeon on March 24 with Mrs. Shirley Davy as guest speaker. She called on other Presbyterian convenors present for their reports. Mrs. Brandsma, Mrs. Doreen McAlpine, Social Issues

convenor, and Mrs. Thelma Endicott, Stewardship convenor, presented a short skit on preparing a program using the study for the coming year on "South Pacific Shores".

The "In Memoriam" for members who had passed away during the past year was led by Mrs. Margaret Harrison of Wilberforce U.C.W. She read a poem by Patience Strong entitled "We cannot always understand", closing with prayer. To close a very enjoyable day "They'll know we are Christians" was sung followed by the courtesy report in unison and a parting blessing "Thank you, Lord, for our many good blessings".

\$140 million spent by BILD in getting new projects underway

TORONTO - More than \$1.343 billion in investment has been committed to new economic development projects sponsored by Ontario's Board of Industrial Leadership and Development, Treasurer Frank Miller announced recently.

Providing an update on the five-year BILD program, Miller, who is BILD chairman, said the Province has increased its commitments of new funding to about \$855 million, up from the \$750 million targeted when the BILD program was announced in January 1981.

He also noted that BILD initiatives have attracted some \$295 million in new investment by the private sector, nearly \$84 million from the federal government and another \$38 million from municipalities. As well, about \$72 million in commitments to BILD projects have been generated through a redirection of spending by various provincial ministries and agencies.

"I have been very encouraged with the BILD's program's success in stimulating the participation of the private sector and other levels of government in the new economic development in Ontario," said Miller.

"This success has prompted the Board to endorse substantial increases in Ontario's commitments to the 75 BILD initiatives launched since the beginning of the program."

BILD has identified six key areas as priorities for the development of the provincial economy including:

- realizing the potential of electricity as a prime energy source
- continually improving the transportation system

- capitalizing on the resource sector
- reaping the benefits of new technology

- developing human resources

- strengthening Ontario's community base

By the end of the first fiscal year, nearly \$140 million had already been spent by BILD in getting new projects underway. Another \$170 million will flow to BILD initiatives in 1982 - 83.

Galway Community Centre Building Committee held September meeting

A meeting was held by the Galway Community Centre Building Committee on September 24.

The committee recommended to council the acceptance of the tender from Stoughton Electric in the amount of \$54,420 for Tender #6 Mechanical. The mechanical tenders received are as follows: The Hargrave Company - \$78,000; Jones Electric - \$69,951; Stoughton Electric - \$54,420. The exterior will be vinyl siding and the colour is to be cream with dark brown trim (eaves, trough, fascia, soffit and roof).

The committee suggested that council explore the feasibility of having the ceiling in the new building lowered from the specified height of 12'6" to 10'6", resulting in a potential saving of \$3,500 to \$4,000.

A meeting was held at Greer Galloway and Associates to open the mechanical sub tender #6 for the Galway Hall upgrade and expansion project September 23.

Tenders were opened at 4:30 p.m. Tenders were received as follows: Stoughton Electric Ltd., \$54,420; Jones Electric Ltd., \$69,951; The Hargrave Company, \$78,000.

The tenders were referred to the Galway Hall Building Committee for their evaluation and recommendation to Council.

During the meeting it was suggested by W. Noble that vinyl siding vs. aluminum be installed on the exterior of the building. He also suggested that dark brown trim be used for the window trim, door trim, roofing, fascia and eaves/rough.

The meeting adjourned at 5 p.m.

A meeting of the Galway Cavendish Culture and Recreation Committee was held on September 21 at the township office at 8 p.m.

The minutes of the August 17 meeting were adopted as circulated.

The minutes of the September 10th Galway sub committee meeting were adopted as read.

The minutes of the Cavendish sub committee meetings of August 25 and September 8 were accepted as presented.

Harry Stuart gave a verbal report on the progress of the Galway Hall upgrade and expansion. It was noted that all the walls had to be taken down before construction could be undertaken, due to the rotten condition of several areas in the roof and supporting timbers.

The verbal report from Harry Stuart on the progress of the Galway Hall upgrade and expansion was accepted.

The financial reports for Festival '82, net profit of \$4,595.63 and the dunk tank

at the Kinmount Fair, net profit of \$500, were accepted as presented and further that the net profit from Festival '82 will be divided on a 50-50 basis between the Galway sub committee and the Cavendish sub committee.

A letter of thanks was sent to Glen Gillham and the Galway Firefighters in appreciation for their help in setting up and coordinating events at Festival '82.

Bob Wallace and Walter Smith, representing the Galway Firemen's Association, attended the meeting to discuss their proposal to establish a park and playground facilities on part lot 6, concession 13, in conjunction with the Culture and Recreation committee. It was agreed that the concept was a good one and that the committee would support a project of this nature.

The committee approves the proposal of the Galway Firemen's Association for the development of a community recreation park on part lot 6, concession 13, Galway Township with the understanding that the Galway Firemen's Association will be responsible for co-ordinating the development of this facility and for the ongoing management, maintenance, and upkeep and further that a formal agreement be established between the Galway Firemen's Association and this committee to formalize the above.

The committee recommended to council that an application be made to Canada Employment for a grant in the amount of \$53,872, to develop a community recreation park on part lot 6, concession 13, Galway Township.

Jean MacLellan declared a conflict of interest on the following resolution.

The committee will sponsor three students for the Terry Fox Youth Centre Program. Students selected were: Pauline Wallace, Cynthia MacLellan, Jackie Crowe, with the understanding that a properly completed application form is received at the Township Office no later than September 30.

Discussion took place with regard to lotteries in 1983 and it was suggested that the sub committees consider not running any lotteries after April 30 and that this committee consider running one large lottery next spring/summer, proceeds of which will be split evenly between the Galway and Cavendish sub committees building funds. The sub committee's chairpeople were requested to submit their committee's position on this subject at the next regular meeting.

A meeting of the Roads Committee of the Township of Galway - Cavendish was held September 24 at 8 p.m.

September Expenditures: Expenses for the month were reviewed in detail and are recommended to council for payment in the amount of \$25,911.14.

Actual vs Budget: Expenditures to date in 1982 are under budget by \$4,800 which represents expenditures that will be made in October and November relating to construction project September Activities Maintenance: consisted of grading and patching as required. Construction: Salmon Lake Road, lots 5 and 6 concession 17, project is approximately 80 per cent complete.

October Work Plan: Maintenance: normal full maintenance consisting of grading, graveling several locations and positioning winter sand at numerous locations. Construction: complete the Salmon Lake Road project, lots 5 and 6, concession 17. Crystal Lake Road, lot 26, concession 10, straighten and widen and reshape a bad "S" turn, lot 28 and 29, concession 10, commence straightening and widening. Peter's Island Bridge: the County of Peterborough Property Committee have recommended to County Council that the structure be assumed into the County Road Bridge System. The recommendation will be dealt with at the October 13 session of County Council. Fire Hall #2 Expanded Parking Facilities: the area has been gravelled and a culvert installed. This project is now complete. Roadside cutting: was completed during September. Back Hoe: this unit is now repaired at a cost of \$530 and is back in service. Gravel: Quantities will be positioned on the following locations during October: lot 30 to 32, concession 10, Crystal Lake Road and lot 27, concession 10, Peter's Island. Ratties Narrows: this project was completed during September. Mississauga Road, lot 20, concession 3: the partially paved steep hill has now been all paved to minimize future erosion. Reid Road/Dutch Line: fill and gravel will be placed on these

roads in numerous locations during October to improve spring access for the residents in the area. Empty Drums from Catchacoma Lake: were picked up from Pearson's Landing and disposed of as agreed to by the Catchacoma Cottagers Association. Silver Lake Road: the Clerk Treasurer will contact Ministry of Transportation and Communications to have the signs (2) on Highway 649 replaced. These signs were destroyed by vandals. Winter Sand: the stock pile for winter requirements was completed September 23. 1983 Construction and Maintenance Budget Forecast: the road superintendent will complete the proposed forecast and submit same to Ministry of Transportation and Communications by October 8, 1982. Highway #507 Status: the Bancroft District Manager has advised that tenders were issued the week of September 20, to upgrade

and reconstruct the northerly 7 kilometres of this highway. M.T.C. plans call for the total 21 kilometers of roadway to be completed progressively in sections of 7 kilometers. This implies that if funds are available, land is acquired etc., the total distance would be upgraded over the next three years. In addition, their traffic section have agreed that signing should be improved as traffic enters into the unimproved section of road just south of Fire Hall 2. It is their plan to erect a checker road sign with a flashing light to alert northbound traffic that they are entering into winding narrow road and that the safe speed limit is reduced.

Cavendish Snow Removal: Tenders for snow removal for the winter 1982/83 on an hourly basis were received as follows: Ira Robertson, \$25 per hour, Catchacoma Landing, \$24 per hour, Pearson's Landing, \$20 per hour. This committee recommended to

council that the contract for Cavendish snow removal for the winter 1982/83 be awarded to the lowest bidder - Pearson's Landing at the rate of \$20 per hour.

A regular meeting of the Township of Galway - Cavendish was held September 25 at 10 a.m.

The minutes of the August 30 and September 11 meetings were adopted as circulated.

Mr. Foster attended the meeting to explain the reasoning behind the two severances submitted on Blades Island.

Severances B-96/82 and B-97/82 (Gail Foster, Concession 2, lot 29 Cavendish) were supported to severance B-96/82 square footage being amended to conform with zoning by-law

78-43 and Policy 81-2 was applied.

The Roads Voucher 9 for the month of September in the amount of \$25,911.14 was approved for payment.

Jean MacLellan declared a conflict of interest in cheque 1030.

General Voucher 9 for the month of September in the amount of \$128,831.20 was approved for payment. Note: Includes payments of the levies for the Peterborough County Board of Education \$106,378 and Peterborough County \$11,312.58.

Voucher #2 for Experience 92 for the month of August in the amount of \$958.11 was approved for payment.

Harry Stuart declared a conflict of interest in cheque no. 1, 8, 11.

Voucher 1 for the Galway

Hall Upgrading and Expansion for the month of September in the amount of \$2,951.77 was approved for payment.

The minutes of the Galway Building Committee meeting held September 24, 1982, were adopted with the exception of the recommendation pertaining to the height of the ceiling.

The sub tender #6 for upgrading and expanding the Galway Hall from Stoughton Electric Limited, in the amount of \$54,420 was accepted.

The lowest tender submitted by Pearson's Landing for snow removal in the Cavendish area for the winter 1982/83 in the amount of \$20 per hour was accepted, sub-

DISTRICT

Kinmount Korner *by Millie Moss*

The Wednesday Night Eucharist Group cordially invite you to their weekly games, to be held in the Galway Fire-hall beginning Wednesday, October 20 at 7:30 p.m.

St. James' Anglican Church - Women, Kinmount, present their annual Fowl Supper on Saturday, October 23, 4:30 p.m. to 7 p.m. at the Kinmount Legion Hall. Admission: adults - \$5, 6 to 12 years olds \$3 and under 6 years free. This is a favourite each year, so plan to be there and have a nice day with family and friends. All those home baked goodies!

The Kinmount and District Horticultural Society held a meeting at the home of President Mary Hartin Sr., last Thursday evening at which numerous points were brought out concerning our next year flower and plant shows and other matters we shall be attending around our town.

Results of St. James' eucharist Tuesday, October 5: men's high - Lynne Phillips, men's low: Charlie Molynaux, ladies' high - Clara Watson, ladies' low - Nora Cregó and most lone hands was Mary Phillips.

Flo Schlosser and Clara Watson spent last Wednesday in Peterborough.

Our house has been a busy spot of late. On Saturday, October 2, my own big day was celebrated with a cook-out. That muskie was delicious! Lots of delicious food and present to help me enjoy it was Mary L. and John Pyke, Helen and Alex Graham, Bill, Lorrie and Jason Moss, all of Norland. Ida and Clyde Parry of Cobocok, Bonnie Walker and Charlie Ryan of Weston and our neighbours here on the river, Ken and Marion Scott. Thanks to all of you for the goodies and best wishes.

On Tuesday afternoon I enjoyed having Clara Watson and Marion Scott over and then on Wednesday evening Janet Abela, Barb McCluney, Shirley and Ron

Newman and their two daughters came for a visit. Joyce Hills also popped around for a few minutes during her busy schedule.

Fruit Cocktail Cake: 1 cup sugar, 1 egg, 1 small can fruit cocktail with juice, 1 cup flour, 1 tsp. baking powder, ¼ tsp. soda, ½ tsp. salt. Beat sugar and egg together, add fruit and mix well. Sift together and add dry ingredients. Pour into greased 8x8-x2 inch pan and sprinkle with ½ cup each nuts and brown sugar. Bake in 350 degree Fahrenheit oven 35 minutes or longer.

A few of our local people are now travelling to distant places and I'll have more on that when they arrive home, but in the meantime let's hope they enjoy their holidays to the utmost and return home safely.

Thanks to Bill Barkwell who dropped by one morning recently to shake hands and welcome us as newcomers to the river. We're looking forward though, to our friends of the Avenue to call around and visit us here also.

Our new number is 488-2353.

Bill Moss Junior of Norland, was a "victim of the bug" last week but feeling better now.

The Kinmount Library will be closed until further notice.

I hope to hear Yvonne Beaucage is better from her recent injury very soon.

Ida Parry will be entering York Regional Hospital this week for tests and possible surgery. Get well soon Ida. We'll miss you around for awhile.

By the time you read this, Thanksgiving will have once again come and gone. I hope all of you had enjoyed a truly good family day.

Best wishes also to Shirley Stephenson at this time.

Just received a call from Ruby Holbrook who has asked to have her sincere thanks forwarded to all her friends who have sent cards, gifts and flowers during her stay in hospital and since she came home. Thanks also to Rev. Morrison of the United

Church and to Father Brooks of St. James Anglican who were so thoughtful of Ruby during her illness. I hope you're much better soon Ruby.

Stay well and happy and be here next week.

Gooderham News

by Mary Hadley

Funeral services were held in the Pentecostal church last Thursday afternoon for Edith Gifford, who died suddenly at Calgary on Sunday, October 3 at the age of 52 years. She was the oldest daughter of Iva and Ted Hadley. Besides her parents, she is survived by her husband, Ray, her daughter, Carol, and son, Gary; 3 brothers - Preston of Oshawa, Alvin and Dale of Montreal, and 3 sisters - Shirley of Bobcaygeon, Mavis of Montreal and Mary Lou of Cornwall, all of whom were present for the funeral. Pastor Sauve brought a message of comfort to the family. Interment followed in the Glamorgan Township cemetery. Our community expresses sympathy to the sorrowing family.

Laura and Willard Kellogg of Armprior visited Beulah and Gordon Barr last Sunday.

After a short stay in Haliburton Red Cross Hospital, Tom Bolton has been able to return to his home.

Grace Billings spent last week-end at Belleville with her sister-in-law, Mrs. Allan Spencer. While there she enjoyed attendance at the 23rd anniversary celebration of her cousin, George Shell and his wife, at Foxboro.

Mrs. Barr of Lindsay spent last week with her daughter, Marilyn Billings.

It is good to know that Christian Madill is much improved after a recent illness. Grace Billings, accompanied by Elsie Watson, of Haliburton, spent the afternoon in Kinmount recently where they visited George Brown and Ambrose Watson.

Six ladies from Gooderham attended the Region 6 U.C.W. rally at Ingoldsby United Church, October 6. June Devolin, guest speaker. Please turn to Page 12

Chatting with Irene *by Irene Moore*

I am very sorry that I had no column last week, but I had to be away all week-end, and didn't have time to gather up news.

Friendship buds and blossoms like summer in full dress.

Friendship brings a harvest of joy and happiness. Friendship brings us sustaining, through winter wind and snows. Friendship can't be hoarded, by being shared it grows.

Mrs. Harvey McIntosh has been visiting with her sister in Timmins for a few weeks.

They tell us on T.V. that the winter will be cold with lots of snow. At least that is what the 1983 Almanac says. Sure hope they are wrong, as the geese are still going south.

The Martha Group of the U.C.W. turned their regular meeting at the end of September into a farewell party for Mrs. Lily Hogg, who left town this past week-end to live with her son at North Bay. The Martha group presented her with a corsage and a wallet, the U.C.W. presented her with a housecoat, and the W.I. gave her slippers. We are all going to miss Lily because of her help and quick wit, but hope she will enjoy her new home.

Mr. Don Hall and Mr. S. Weiss have been enjoying a holiday in Europe.

If you wish to keep the mites or whatever you call them off your Impatiens plants you bring into the house, they tell me that a flea collar around them will help,

as well as flea powder on top of the dirt?

Mrs. Ethel Harrison went back to Lindsay with Marjorie Dawkins for a visit. Ethel says for a week, but I'll bet it is longer.

Did you ever make raspberry jam in October? I just finished making some, thanks to a lady in Haliburton who gave the recipe to a neighbour of mine. No, I won't tell you her name or give you the recipe, but it is really good; so if you want it for next year let me know. The only thing I'll tell you is it is a good way to use up green tomatoes.

Mr. and Mrs. Ted Johnston and family of Scarborough spent the holiday with Mrs. May Wright.

Friends and neighbours of John Harrison donated the following books to the Minden Library in his memory. Webster's Collegiate Thesaurus, Webster's New Collegiate Dictionary, Birds of America, Atlas of Canada and David Attenborough's Life on Earth.

The Library wishes to thank these people for their generous contribution, and we are sure John would be proud, as he was a great reader.

Mr. and Mrs. Harold Morgan have really enjoyed their visit to Germany and their visit with their family there.

Our No. 2 son is now on his way home from Australia and will be stationed at Base Borden sometime during the winter. He plans to drive from Victoria to Borden during the winter. They both say they will be glad to get back to four seasons in a year, sure hope they bring us good luck next year?

Mr. and Mrs. L. Lemieux thank all who made their 35th anniversary such a success. They were really surprised. They spent this holiday week-end in Toronto.

Dr. Agnes had her cousin from the West visiting with her recently.

Mr. and Mrs. Blake Hughes and daughters of Mississauga spent the week-end with relatives in town.

Hope you all had as lovely Thanksgiving as I had, for I ended up with two dinners. Boy, was I ever full.

World Series is on now, but even if only one of my teams made it, I'll still be glued to the boob tube until it is over.

My grandson got a clean bill of health, but has to be checked every six weeks. He is growing so fast.

Adios and take care now.

Guilford Potpourri

by Gladys Kreller

Hi everybody, this is your local reporter trying to report the news of the area, again this week, but I can't do a very good job of it unless you people in the Eagle Lake, Kennis Lake, West Guilford, Stanhope and surrounding areas let me know of some news to report.

The bear hunters in the area have not shot all the bears around here, because Gordon and Verna Priest had one in their garden last Tuesday evening.

Mr. Ernie Schlivert is still in the Haliburton Red Cross Hospital. Mr. and Mrs. Masini of Toronto have purchased the home of Wes and Ev Stata on the Green Lake Road and Wes and Ev Stata have purchased the home of Bob and Josie Titus on the Kennis Lake Road. The Stata's are moving into their new home on November 1.

The luncheon for the Haliburton County Home Support Service, Wheels to Meals program for the Guilford area was held yesterday. It is a very good way to enjoy a good meal and meet your friends and neighbours and keep up with the local gossip and also enjoy a few games of cards. The luncheons are held every second and fourth Tuesday of the month at the Guilford Grill at 1 p.m.

Sherman and Mary Griffin with their children, Cindy, Michael and Jamie, and Mary's mother, Mrs. Carley spent the weekend at their cottage in Silver Valley. They arrived on Friday in two cars but unfortunately, they left on Monday to go home to Lindsay in only one car, due

to an accident on Friday night which completely destroyed their other car beyond repair. It is a very sad situation when you meet a car coming towards you on the same side of the road that you are driving on, and you have no place to go, but over a very steep bank with very large stones at the bottom of the hill. It is a miracle that Cindy and Terry walked away with minor scrapes and bruises and were not seriously injured or worse, and that the other car continued onto its destination on the wrong side of the road.

My daughter Kandra had a table at the flea market in Haliburton on Saturday and there were a lot of people buying a lot of different things. If you have never been to the flea market it is well worth going. They sell everything from books, toys, candles, hand made quilts, sweaters and pickles to good used clothing, tools and canaries in cages. You can also watch some of the crafts being made, like a woman painting silk scarves. You can also purchase tickets on a large box of groceries and also tickets on a fifty dollar bill. The next flea market will be held in January.

If anyone has any news that they would like to have in the Potpourri column would you please call me at 754-3005 or write it out and drop it in at The Silver Valley Store or the house behind the store. Well, that's all for now, and I hope you had a good Thanksgiving, as the weather was good two days out of three, see you next week.

Gooderham News

from page 11
gave a message of inspiration which, along with the day's music, reports, devotions, and the Ingoldsby hospitality made the rally such a success.

Two ladies from Gooderham joined six other elders from the Tory Hill Pastoral Charge of the United Church to drive to Cambridge Street United Church in Lindsay last Tuesday evening to attend an elders' training session. A pot luck dinner was enjoyed along with good fellowship. The guest speaker was Mrs. Lawson of Toronto, who told of her experience as a lay visitor for the United Church. Her husband, Bill, had worked with Ivan Hunter on the executive of the CNIB at Ottawa for many years.

This is the time of year for the CNIB canvass. This organization is the only national charitable organization providing a comprehensive range of rehabilitation and support services to visually impaired citizens. We hope

you will be generous in this worthy cause.

I was happy last weekend to have a visit from my son, Bob, and his wife, Pat, my granddaughter, Sherry, and my great grandson, Michael.

Dorset News

"You don't have to know how to sing; its feeling as though you want to that makes the day successful."

Everyone is taking advantage of the pleasant, sunny days that come along this time of year, to get gardens cleaned up, storm windows put on, and all the other outdoor chores that have to be done at this time of year. One feels that they are living on borrowed time, not knowing how soon there may be a drastic change, and you won't be ready. From all of the forecasts I have heard, we are to have a long, cold, snowy winter. We hope they are wrong, but we usually have a warm spell in November, so what we miss getting done now, there may be a second chance to finish up later.

A group of seniors from Dorset and Dwight took a trip on Lake Muskoka on the Miss Muskoka, a sight seeing boat, last Wednesday afternoon. The weather was perfect and the scenery beautiful. The leaves were about at their peak and the beautiful summer homes along what is called millionaires row made spectacular viewing. The event was enjoyed by all that participated.

We are happy to welcome back to her home on Rabbit Bay, Mrs. Grace Munro, who has been hospitalized for a lengthy period of time. We

understand that she is feeling well and happy to be home. We wish her all the best for the future, with a complete recovery and the best of health.

I trust everyone saw our local T.V. coverage on channel 11, Kitchener, when the cameras focused on Clayton's General store. The manager, John Clayton, was interviewed on the complications and problems of converting to metric, as well as the expense. It was very interesting and I think that if John gets tired of the grocery store business he might get a job on T.V. It's nice to see the local businesses recognized by the media. I usually miss them but this was one I caught.

Mrs. Phyllis McKey of Huntsville was in the village

last week visiting friends. She was a guest of Shirley Kay on Paint Lake Road for several days.

Sorry I don't have more news this week. I hope for more next week.

H.H. Did you ever try cucumbers for tired eyes? just place slices of fresh, cold cucumbers on your eyelids for a half an hour and it will rid the redness and puffiness.

Carnarvon News

Mr. and Mrs. Francis Thomas and Mr. and Mrs. Alan Thomas attended the wedding of Kathy Thomas, daughter of Mr. and Mrs. Wilmot Thomas in Scarborough.

Mr. and Mrs. Bill McKay and sons are spending a few days at their cottage at Matagami Lake before closing it up for the winter.

Congratulations to Mr.

and Mrs. Randy Cole on the birth of their son at Newmarket on Monday.

Mr. and Mrs. Stan Archer and Mr. and Mrs. Max McKay spent a couple of days at Niagara Falls.

Mr. and Mrs. Lawrence Forrester of Mallorytown visited Mr. and Mrs. Max McKay on Saturday and Sunday of the Thanksgiving weekend.

Sumac: a plant of many uses

The crimson sumac stands

At this time of year, I am haunted by remnants of a poem from my schoolhouse days - "Along the line of smoky hills, the crimson sumac stands". I can't recall the author, or even why we were made to learn that verse by rote, but the vision of those words is recalled even in the city, where the sumac-covered hills are apt to be smoky from car exhausts than autumn mists.

Staghorn sumac may be a quiet enough plant for most of the year, clothed in orderly ranks of drooping leaves, but in the autumn it comes alive. In the works of Donald Culross Peattie, this is one of the chief plants that gives our Indian summer a sort of mellow savagery, shouting out its colour to the dying year. Orange, vermillion, yellow and even purple can adorn a cluster of sumac in a celebration of wild colour. And rising from the great frond-like leaves, the dusty red seed heads or "staghorns" poke skywards.

Though sumac is a shrub, seldom growing more than fifteen or twenty feet tall, its uses are comparable to any

tree. Its name may well be a corruption of "shoe-make", for the tannin extracted from its bark and leaves cured the finest grades of leather. Its leaves formed an important ingredient in the mixture that served as tobacco for the American Indian. Its wood, with a curious orange heartwood streaked with green, is still used to manufacture a unique kind of handicraft carvings.

But it is the fuzzy seed-head which is perhaps the most attractive part of the plant. Birds use sumac throughout the winter, and I have seen February robins that seemed to be surviving three feet of snow quite nicely by feeding on sumac seeds. Early Canadians used the staghorns as well, to make a refreshing cool drink much like lemonade. The recipe is simple - crush the seed heads in water to free their natural acids, (don't boil since that brings out the bitter tannin), strain through a cloth, and add a little sugar. If you decide to try sumac lemonade, don't forget to leave a few seed heads for our winter birds.

Galway Community Centre Building

from page 10

ject to the contract as approved by council being signed by Mr. Weitzel.

The reeve was authorized to submit an application to Employment and Immigration Canada for the purpose of developing a Community Recreation Park on part lot 6, concession 13 Galway, covering labour and materials in the amount of \$53,872.

The minutes of the 66 foot Shoreline Road Allowance Committee meeting of September 7 was approved.

The verbal report of the Health and Sanitation Committee was accepted.

By-law 82-41, being a by-law to authorize the sale of land is hereby read a first time and is deemed to be read a second and third time and passed this 25th day of September 1982. Description: These lands are located in Concession 16, lots 11, 12 and 13 Galway Township.

By-law 82-42, being a by-law to amend by-law 81-45 is hereby read a first time and is deemed to be read a second and third time and passed this 25th day of September, 1982. "This by-law amends the one previously passed to rezone a portion of land on Peter's Island".

Severance B-100 / 82 (Lynch and Hill concession 7, lot 18 Cavendish) was supported as it is to legalize an already existing use, subject to both the retained and severed lot being rezoned, as they do not meet the minimum frontage or square footage requirements of by-law 78-43 and Policy 81-2 is applied.

The November 13 council meeting will be changed to November 15 at 7 p.m.

The bids for the used material at the Galway Hall were opened. Bids received: aluminum siding, \$26 a square - Gary MacKay; propane furnace, \$50 - Gary MacKay; 25 sheets of roofing

at a sheet - Ida Young; aluminum siding, \$265 - Barry and Joan Walker; suspended ceiling, \$50 - Randy Grozelle; all used materials with suspended ceiling and light fixtures, \$750 - E.J. Motel; suspended ceiling with light fixtures, \$225 - E.J. Motel. All other bids by Ida Young were rejected due to the fact that the items bid on were not listed for sale: wooden benches, stacking chairs, fire extinguishers, large freezer.

The bid from Barry and Joan Walker for the aluminum siding in the amount of \$265 was accepted.

The bid from Ida Young for metal roofing in the amount of one dollar per sheet was accepted.

The bid from Donald Smedmore for the suspended ceiling and light fixtures was accepted.

The bid from Garry McKay for the propane furnace in the amount of \$50 was rejected.

The clerk is hereby authorized to obtain two evaluations from Real Estate Agents certain lands situated on Parts lots 19 and 20, concession 12 Galway.

The clerk is hereby authorized to sell certain vacant lands on parts lots 19 and 20 Galway (Hyland Homes) to interested adjacent property owners as per Reeve Brickmans letter of April 27, 1981 and further that the said properties are to be added to the purchasers existing lot and no dwellings are permitted on the subject lots.

Policy 82-5: For the purpose of rebating taxes on residential property where the commercial factor is used to calculate assessment, the applicant shall submit a request to council for the rebate by November 30 each year. The rebate for the assessment differential shall be the difference between the residential and commercial factor when it is applied to the residential assessment on that portion of the property used for residential purposes by the owner as determined by the Clerk treasurer and the provincial assessor is not open to appeal. Council reserves the right to cancel this grant program without prior notice at any time. The rebate shall only apply to those properties where the taxes are paid in full.

The clerk is hereby authorized to rebate taxes to commercial establishments for the assessment differential between the commercial and residential factors for the portion of their property that is residential and occupied by the owner as outlined in Policy 82-5.

The township joined the Peterborough Kawartha Tourist and Convention Bureau for the year 1982/83 at a cost of \$56.65.

Mr. Doug Armstrong, County Administrator, clerk-treasurer, will be invited to the November 15 meeting to give a presentation on the Industrial Development Strategy Program for Peterborough County.

The clerk is hereby authorized to purchase the study of "Economic Development in the County of Peterborough" dated September 1, 1982 for the Township office at a cost of \$15.

The clerk is hereby authorized to issue a licence to Leon Wright for the purpose of opening a Video Cassette Recorder Rental Home Occupation on part lot 1, concession 12, Galway.

The townships have no objection to the Island called Dalrymple on Mississauga Lake being changed to Wittick and the Natural Resources will be notified that this island is in Harvey Township and they should be contacted for comment. It is also requested that Natural

Resources be asked to consider changing the lake called Trounce Lake, lots 13 and 14 concession 17 Galway to Birch Bark Lake and the lake on lots 20 and 21 concessions 15 and 16 Galway to Cuckoo Lake as these lakes are known and have been referred to locally for several years by these names.

The Deputy Reeve and Road Superintendent were hereby authorized to attend the Ministry of Transportation and Communications Needs/Resource Grant System seminar to be held at the township of Chandos office on October 19 at 1:30 p.m.

The clerk was authorized to prepare a by-law to regulate the holding of certain public entertainments, festivals, exhibitions and places of amusements within the corporation.

A grant of \$100 was made to the Salvation Army, National Fund Raising Program to increase their training program capabilities.

A grant of \$200 was awarded to Peterborough County Century Village Development Fund to assist in the construction of an Interpretive Centre.

Correspondence and Informational: - letter from Hans Huber thanking council for their assistance; - Natural Resources deed for road to Crystal Heights Subdivision; - Natural Resources acknowledging council's submission on District Land Use Strategy Plan (draft).

By-law 82-53, being a by-law to confirm the proceedings of council at its meeting held on the 25th day of September was hereby read a first time and is deemed to be read a second and third time and passed this 25th day of September, 1982.

27. THANK YOU

We would like to thank Dr. Heyes, Dr. Hartwick and the nurses of Haliburton Red Cross Hospital, and Dr. Belch and the nurses of St. Joseph's Hospital, Peterborough for their excellent care during Fred's recent illness. Also, special thanks to Mrs. K. Dawson, Mr. and Mrs. Al Marshall, Mr. and Mrs. J. Ross and members of Legion Branch 624 for the many drives to Haliburton and Peterborough.

Fred and Kay Broad 27-B-13

Coboconk and District Minor Baseball Committee would like to thank those who have assisted in making 1982 a successful season. 27-P-13

Our family would like to extend a very sincere and special thank you to our relatives, friends and neighbours for all the kindnesses and messages of sympathy you have conveyed at the time of our loss. Thanks are also extended to Rev. John Phillips, the Drs. and nursing staff of Haliburton Red Cross Hospital, Gordon Monk Funeral Home, and the Wilberforce A.C.W. Your thoughtfulness was a source of strength, and a memory to cherish. Again, thank you. Evelyn, Terry and Bonnie, and their families. [The family of the late Irwin Johnston]. 27-P-13

28. BIRTHS

COUMBS - Greg and Geraldine thank God for the safe arrival of their new bundle of joy "CRYSTAL MARIE". Our little sweetheart arrived at 12:52 p.m. on August 25, 1982 at Kingston General Hospital weighing in at 4 lbs., 12 oz. Proud grandparents are Mr. and Mrs. Merrell McNeil of Minden and first time grandparents Mr. and Mrs. Arnold Coumbs of Bobcaygeon, Ontario. Special thanks go to Dr. MacKenzie and Dr. Pan-cham and nurses of Kingston General and Dr. T. Froats of Peterborough Civic and Dr. Karl Hartwick. 28-P-13

30. WEDDINGS

Mr. and Mrs. Joseph Cox and Mr. and Mrs. Junior Barry cordially invite you to attend the wedding dance in honour of **JO-ANNE AND ELWOOD BARRY**, to be held at the new curling club, Minden, Ontario, October 16, 1982, 9 p.m. Friends and relatives welcome. 30-P-13

32. IN MEMORIAM

MCNEIL - In loving memory of a dear husband, Bert, who passed away October 18, 1971.

Day of sadness still come o're me,
Tears in silence often flow,
For memory keeps you ever near me,
Though you died eleven years ago.
You are not forgotten Bert,
Nor ever will you be,
As long as life and memory last,
I will remember thee.

Sadly missed by wife Reita. 32-P-13
